Catastrophe Fintan Drury, 2025-05-28 The Nakba or Catastrophe occurred between 1947 and 1949 and saw 15 000 Palestinians massacred and more than 700 000 expelled from their homeland by Israel Today we're witnessing a second Nakba one being played out in front of our eyes In *Catastrophe* Fintan Drury offers an unflinching exploration of Israel's genocidal campaign Through extensive research he argues that the Hamas attack on 7 October 2023 was the inevitable result of almost eight decades of violent oppression of indigenous Palestinians In his view Israel's response was totally disproportionate and without the active sponsorship of the US and other major Western powers could not have happened Provocative eye opening and unapologetically direct *Catastrophe* Nakba II is a call to understand the unique suffering of the Palestinians
