When The Last Trumpet Sounds Prophecies Of The Second Coming:

When the Last Trumpet Sounds Donald Fishgrab, 2014-11-21 This is a study of New Testament prophecies relating to the Second Coming of Jesus Christ Keeping in mind the statement in II Peter 1 20 21 that no prophecy of the scripture can be interpreted except in accordance with previous prophecies it starts with Jesus prophecies in the book of Matthew and follows them through to the book of Revelation Numerous Old Testament prophecies are examined to assist in understanding those in the New Testament The result is a logical and easily understood sequence of events into which other prophecies should fit easily eliminating confusion as to what some passages mean *Evidence from Scripture and History of the Second Coming of Christ about the Year 1843, Exhibited in a Course of Lectures* William Miller, 1842 Over the centuries God has revealed to His prophets clues to the upcoming events of the end times Such prophetic language often differs from other parts of Scripture employing highly figurative details God in His wisdom has imparted these clues to various prophets spanning centuries of time civilizations and social levels thus providing the modern day reader a highly complex yet complete prophetic puzzle pointing us forward to final days in earth's history Therefore a complete study is necessary to understanding Bible prophecy as the act of overlooking one prophet or vision will render an incomplete understanding William Miller was a simple New York farmer when God called him to become one of the cornerstones of the great revival movement that eventually formed the foundation of the Seventh day Adventist church A self proclaimed agnostic Miller had little to do with God or the bible for much of his adult life However as the Holy Spirit worked on his heart Miller began an extensive study of the Scriptures where he found Christ as his personal friend and Saviour *Evidence From Scripture and History* explores into the heart of many Bible prophecies both known and ambiguous Backing up all claims with Scripture and references Miller takes the reader on an exhaustive study of Bible prophecy in this modern day reprint of an early advent study
