Writers Workshop Unit Of Study 6th Grade Literary:

The Orange Slipknot Curriculum Unit Young Jan, 2008 The questions and activities in this Curriculum Unit for teaching from the middle grade novel *The Orange Slipknot* have been designed to help the teacher guide students in learning and incorporating these important reading strategies making connections questioning visualizing inferring determining importance and synthesizing Instead of reading for content only students will learn how to look beyond the words for meaning They will learn to see that there are many layers of meaning in books They will learn how to think about reading and hopefully to develop a love for reading For each chapter there are comprehension questions writing prompts discussions prompts journaling prompts and vocabulary activities Various question answer formats are used with an emphasis on writing Following the chapter activities there are strong cross curricular connections literature links reading math science art social studies and geography Questions and activities range from fourth to ninth grade levels Extensive use is made of internet research A teacher may wish to pick and choose from the large selection of questions and activities Answer keys are in the back The in depth section on Nevada stressing agriculture makes *The Orange Slipknot* an excellent social studies tool Since this Curriculum Unit is written by the author herself the teacher and the students benefit by gaining insight into the writer's mind The elements which the author feels are important about the story and the writing process are emphasized [Current Index to Journals in Education](#), 2002 *Developing Competent Readers and Writers in the Primary Grades* Martha Combs, 1996 This major new entry is a core text for the growing number of reading literacy methods courses which cover grades K through four The text emphasizes literature based reading but also discusses the appropriate use of phonics instruction in helping children to become literate [Resources in Education](#), 1998 **Readers and Writers in the Middle Grades** Martha Combs, 2003 The second edition of this popular book for grades 4-8 again reflects the author's emphasis on teaching reading and writing from a literature based perspective and engaging middle grades learners in integrated literacy experiences Coverage has been revised to meet the growing need to address early adolescents who still struggle with becoming proficient readers and writers Taking a holistic interdisciplinary approach to literacy development Combs deftly balances ideas for using authentic children's literature with techniques for making the most of the basal approach providing a rich mix of classroom tested models and examples that will serve future teachers well in their first classrooms and every classroom thereafter For future and practice elementary school reading teachers [Houghton Mifflin English](#) Houghton Mifflin, **Readers and Writers in Primary Grades** Martha Combs, 2006 *Readers and Writers in Primary Grades* is organized around strategies that benefit elementary school teachers in their efforts to be responsive to the developmental literacy needs of young children Integrating theory and practice these strategies offer a balanced look at appropriate literacy activities for K-3 classrooms Chapter topics include reading aloud to children shared reading shared and interactive writing guided and independent reading guided and independent writing literature study developing phonological

awareness and a strong phonics base integrating phonics and structure and linking children's learning experiences with a balanced literacy program

How to Align Literacy Instruction, Assessment, and Standards Nancy L. Akhavan, 2004

In this book Nancy Akhavan details the stories and strategies that enabled her school to move from under performing status to one in which students achieve and teachers have a whole new understanding of targeted instruction sensitive assessment and meaningful curriculum There is much to appreciate in what she says from her attention to thinking small and understanding the power of the details her emphasis on planning and goal setting to the seriousness with which she takes the standards and incorporates them into the life of the classroom Drawing on the work of the best in the business Lucy Calkins David and Yvonne Freeman and Tony Alvarado Akhavan made professional development the heartbeat of her school as she helped her faculty understand that their work begins and ends with continuous assessment of their students Now she helps readers of her book learn how child centered assessment leads to strategic instruction how to best support multilingual learners how to organize for yearlong learning how to think through precise workshop instruction in minilessons how to develop meaningful curriculum around units of study how to create a vibrant school community where standards and accountability stem from regular assessment and examination of instructional practices Akhavan provides immediately useful information for any elementary teacher principal or curriculum developer Read her book and understand how to use standards as a way to connect meaningful instruction to students not as a bar that students have to reach or a barrier to real teaching and learning
