

HOW TO WRITE A CRITICAL ESSAY

CRITICAL ESSAY OVERVIEW

- ▶ Critical essays involve doing an in-depth review and analysis of a particular topic or area
- ▶ Writing a critical essay often has the objective of unearthing the key underlying aspects of a topic
- ▶ Literature, plays and films, music, and visual and performance art all provide for critical essay topics

WRITING A CRITICAL ESSAY

- ▶ Work on the title of the essay in the event one has not been provided
- ▶ Write the name of the author or the creator behind what you are about to critique
- ▶ Write the purpose of the topic under critique as per your understanding
- ▶ Give the details on the publication data of the work that you want to critique
- ▶ Create an introduction that will feature your thesis and a summary of your analysis
- ▶ Write your thesis statement that will help to guide the writing that will follow
- ▶ Give an analysis of the work behind the topic. This involves the author's style and targeted audience
- ▶ Write on the efficacy of the work and wrap it up with a brief conclusion

GENERAL TIPS

- ▶ Research broadly on the work that you are critiquing. Research its creator, as well
- ▶ Use a previous critical essay example as a road-map when creating yours
- ▶ Infuse exciting facts about the work and ensure your opinion doesn't influence your analysis
- ▶ Double-check your work for reasons of rectifying mistakes and polishing its content

Writing A Critical Paper:

Critical Writing Gerald Nosich, 2021-03-17 The main goal of Critical Writing is to provide students with a set of robust integrated critical concepts and processes that will allow to them think through and write about a topic in a way that is built on and permeated by substantive critical thinking This step by step guide shows how to construct a thesis statement and the other main points that constitute the structure of the paper how to write the paragraphs that make up the body of the paper how to engage in productive research in a planned self directed way how to make a point clear not just grammatically or stylistically but also how to clearly convey ideas to an audience how to think your way through the numerous unanticipated issues including aspects of grammatical correctness transitions and many others that arise while writing papers Each step provides close and careful processes for carrying out each of these tasks through the use of critical thinking

Building Arguments Drew Hinderer, 2005-01-28 Building Arguments offers a fresh new approach to informal logic successfully combining an accessible style with a rigorous systematic treatment of argument It integrates reasoning and writing teaching readers to argue effectively and communicate ideas in persuasive prose It combines fundamental topics of critical thinking into broader discussions of reasoning So where other books may treat fallacy identification and avoidance induction and deduction and validity and soundness as ends in themselves Building Arguments presents these topics in a practical yet philosophically sound context It includes entertaining and relevant examples and exercises drawn from sports popular advertising current events and many academic areas Building Arguments is unique in its emphasis on helping readers to develop their own persuasive arguments as well as to evaluate arguments from other sources Using a writing level and organization guided by the principles of reading development the author introduces material gradually moving from a very accessible level to a more rigorous one The result A book unique in its ability to foster philosophically based argument analysis while promoting reasoning and writing skills across the curriculum

Writing about Literature - Second Edition W.F. Garrett-Petts, 2013-06-13 Writing about Literature introduces students to critical reading and writing through a thorough and engaging discussion of the field but also through exercises interviews exemplary student and scholarly essays and visual material It offers students an insider's guide to the language issues approaches styles assumptions and traditions that inform the writing of successful critical essays and aims to make student writers a part of the world of professional literary criticism Much of the discussion is structured around ways to analyze and respond to a single work Stephen Crane's story The Bride Comes to Yellow Sky This second edition is updated throughout and includes a new chapter on Reading and Writing About Poetry the chapter uses Robert Kroetsch's poem This Part of the Country as the unit of analysis and includes an interview with the poet about his process
