WRITING MATTERS (INTERNATIONAL EDITION) LORRAINE DUBOIS MCCLELLAND, 2008-07-15 Using Tension as a Resource Heidi L. Hallman, Kristen Pastore-Capuana, Donna L. Pasternak, 2019-04-16 This book focuses on the tensions that emerge in teaching the English language arts methods course within teacher education programs The book features chapters that grapple with the historical legacies of influence on methods pedagogy as well as contemporary challenges in teaching methods courses alongside field experiences Multiple perspectives from those involved in teaching methods courses within English language arts teacher education programs are presented as a way to dialogue about current and future challenges Dialogue is sustained throughout the book as each chapter includes an adjacent response that prompts readers to ask further questions about the chapter's content Content with the chapters in the book focus on describing a tension or dilemma that the author faced when teaching the middle secondary ELA methods course or adjacent field experience Discussion in the chapters responses highlights the importance of the field's history and its present response to the tension featured This book will be a useful resource to teacher educators who wish to investigate new approaches to dilemmas faced in teaching the methods class to pre service teachers **Because Writing Matters** National Writing Project, Carl Nagin, 2012-06-28 This updated edition of the best selling book Because Writing Matters reflects the most recent research and reports on the need for teaching writing and it includes new sections on writing and English language learners technology and the writing process **Because Digital Writing Matters** National Writing Project, Danielle Nicole DeVoss, Elyse Eidman-Aadahl, Troy Hicks, 2010-10-07 How to apply digital writing skills effectively in the classroom from the prestigious National Writing Project As many teachers know students may be adept at text messaging and communicating online but do not know how to craft a basic essay In the classroom students are increasingly required to create web based or multi media productions that also include writing Since writing in and for the online realm often defies standard writing conventions this book defines digital writing and examines how best to integrate new technologies into writing instruction Shows how to integrate new technologies into classroom lessons Addresses the proliferation of writing in the digital age Offers a guide for improving students online writing skills The book is an important manual for understanding this new frontier of writing for teachers school leaders university faculty and teacher educators *Writing Matters! - Student Book* Patricia Hale Marcotte, Lorraine Dubois McClelland, 2002-10-10 Writing Matters offers an introduction to academic writing for students who have relatively limited English skills as well as those students who are somewhat proficient with spoken English but need to improve their writing With Writing Matters students learn the basic rules of English sentence structure grammar points and mechanics and the basic organizational skills needed to write clear well developed paragraphs Thus the text is unique all skills are integrated in one book the material in each chapter alternates between developing the student's skills of sentence structure and those of paragraphing Writing Matters Is a core writing book teachers and students using

this text do not need a grammar book supplement It is written with a one semester 5 to 6 hour a week course in mind The text offers a variety of flexible activities that allow students to work on an individual basis in pairs and peer groups or as an entire class In the Sentence Structure and Grammar chapters students concentrate on basic sentence skills accurate verb tense usage subject verb agreement and the avoidance of run ons comma splices and sentence fragments In the Paragraph chapters students learn to develop the basic three part English paragraph Topic sentence body conclusion using these specific steps in the writing process Prewriting for ideas clustering listing note taking brainstorming Making an outline to plan a paragraph Writing the first draft Revising and editing and Writing the final draft *Making Writing Matter* Ann M. Feldman, 2009-01-01 In *Making Writing Matter* Ann M Feldman explores how changing scholarship at engaged metropolitan universities offers an opportunity to redesign first year writing classes in ways that make students better writers An engaged university commits to a relationship with its surrounding metropolitan area with faculty members undertaking collaborative research with community partners The more vibrant participatory role of an engaged university allows students to link their academic studies to important public issues and gain real world writing experience such as writing press releases and letters to organizations This newly focused and contextualized research and scholarship at engaged universities shows students how discourse and writing matter in new ways **Academics Engaging with Student Writing** Jackie Tuck, 2017-07-14 Student writing has long been viewed as a problem in higher education in the UK Moreover the sector has consistently performed poorly in the National Student Survey with regard to assessment and feedback *Academics Engaging with Student Writing* tackles these major issues from a new and unique angle exploring the real life experiences of academic teachers from different institutions as they set support read respond to and assess assignments undertaken by undergraduate students Incorporating evidence from post 1992 universities Oxbridge members of the Russell Group and others this book examines working practices around student writing within the context of an increasingly market oriented mass higher education system Presenting a wealth of relevant examples from disciplines as diverse as History and Sports Science Tuck makes extensive use of interviews observations texts and audio recordings in order to explore the perspectives of academic teachers who work with student writers and their texts This book will be of interest to researchers academics and postgraduate students in the fields of academic literacies higher education language and literacy language in higher education English for academic purposes and assessment Furthermore academic teachers with experience of this crucial aspect of academic labour will welcome Tuck s pioneering work as an indispensable tool for making sense of their own engagement with student writers
