realist fiction **My Religion** Leo Tolstoy, 2023-01-12 Leo Tolstoy was never a man to choose the easy path When he wasn't turning his satirical guns on the Russian aristocracy in works including War and Peace and the play Fruits of Culture he was targeting the established church and organised religion In My Religion he explains how a recent epiphany led him to reject the over complicated teachings of the Church Instead he adopts Jesus Sermon on the Mount as his guide for life It forces him to place pacifism at the heart of his faith The work that grew out of this conversion went on to inspire the non violent movements of Mohandas Gandhi and Martin Luther King Jr This book provides a fascinating insight into how he became such an inspiration Leo Tolstoy 1828 1910 was a Russian author a master of realistic fiction and one of the world's greatest novelists Tolstoy's major works include War and Peace 1865 69 and Anna Karenina 1875 77 two of the greatest novels of all time and pinnacles of realist fiction Beyond novels he wrote many short stories and later in life also essays and plays In the years following the publication of War and Peace Tolstoy who was born to a Russian aristocratic family had a spiritual awakening that made him a committed Christian anarchist and pacifist His philosophy inspired Mahatma Gandhi and Martin Luther King Jr **My Religion - What I Believe** Leo Nikolayevich Tolstoy, 2010-03-01 My Religion carries on from where A Confession left off Describing himself as a former nihilist Tolstoy develops his attack on the church he has left He accuses them of hiding the true meaning of Jesus which is to be found in the Sermon on the Mount and most clearly in the call not to resist evil What is My Faith? Leo Tolstoy, 2024-05-09 Appearing only months after Confession Tolstoy's What is My Faith often rendered in English as What I Believe pushes the argument from private trauma to public statement Anyone drawn to radical Christian ethics will find in these pages the seed of twentieth century non violent resistance long before Gandhi or King shaped the idea Published in Geneva by the same free thinking circle in late 1884 the book was promptly banned in the Russian Empire its import thwarted at the frontier for Tolstoy aimed straight at the nexus of state power and ecclesiastical dogma accusing both of betraying the Sermon on the Mount The treatise advances a literal reading of Christ's ethical injunctions arguing that Christian truth requires absolute renunciation of violence oath taking and property in place of theology Tolstoy offers a painstaking commentary on Gospel passages that converges on a form of Christian anarchism a term his readers later supplied By fusing spiritual rigor with social critique the book redirected Russian intelligentsia away from Marxist militancy toward ethical pacifism influenced the Doukhobors in their emigration to Canada and furnished moral ammunition for pacifist movements across Europe all while foreshadowing the concise biblical harmony that would become The Gospel in Brief This critical reader's edition presents a modern translation of the original manuscript crafted for the modern reader with clean contemporary language and simplified sentence structures that clarify his complex Russian phrasing and specific antiquated references Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Tolstoy's personal history impact and intellectual legacy an index of the philosophical concepts he employs emphasizing Existentialism and influence by Schopenhauer a comprehensive
