W a n t. Karl L. Larsen,2011-10-17 *W a n t* an ongoing project begun in the depths of disillusionment and dead ends inspired by the word itself and the tormented feelings it generated a hollow term with no resolve Wallowing in the disappointment of failure the author meandered aimlessly through the cracks of social strata in search of definition literally Lack insufficiency absence inability the familiar definitions of want words that he knew all too well And then Karl Larsen set out to change all that Besides the instructions provided by the author on how to understand your desires where they come from and what do with them the book details his journey from a near death experience to the moment he began piecing his life together to uncover the unlikely paths to his own success Inspired by experiences both good and bad he discovers he must overcome and accept his past in order to harness his own re creation and become who
