Martini William Kotzwinkle,2023-02-14 Award winning and bestselling author William Kotzwinkle is back with the second in the darkly comedic Felonious Monk series featuring Tommy Martini a Benedictine monk with an anger management problem Felonious Monk was praised as amiably satirical Washington Post and a whiplash adventure Wall Street Journal Coalville is on fire from below The old mines are burning and everyone has poison gas in their brain Maybe that s why the town is so corrupt Now that he s a Benedictine monk Tommy Martini never wants to see the place again hell raisers there hold a grudge till they die and he s on their wish list But a girl he once loved has gone missing and his best friend from childhood has been murdered Among the living is a shy girl from Tommy s past who wants to help Together they learn the secret of the elephant s graveyard and it s not in Africa At the heart of Coalville is Parade Square with plenty of pigeons drugs and child prostitution It s the new small town America where Dionysus is dancing once again William Kotzwinkle s insight into this paradigm shift is shot through with the humor he is famous for and the result is a spicy brew a bloody martini just one sip may keep you up all night **What Now, Knucklehead?** Raymond L. Jones,2014-10-28 Ever wonder what the story of a soldier is all about Well this soldier has a story to tell In fact this is His story not history The life and times of a soldier who enlisted in the Texas Army National Guard at the young age of 17 and ended up retiring from active duty 25 years later after a rocky road and multitudes life altering events Love hate ups and down all told with the humorous charm of this country boy turned soldier This is the first half of his journey **LIFE** ,1942-05-25 LIFE Magazine is the treasured photographic

magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **The World of Unicellular** Oleg Seriy,Maricabo,Super Aliens,Олег Серый,Марицабо, Critique It is about the connection of Anunaki and the Earth for the first time By the way by this fact The World of Unicellular reminds very much of scandalous books of Zecharia Sitchin such as The 12th Planet 1978 When Time

Began 1993 Journeys to the Mythical Past 2008 in which the origin of our planet and mankind as result of attack Anunaki from a planet of Nibiru reveals Sales of these books were enormous and they have caused huge interest in the people Zecharia Sitchin the expert on history and culture of the Near East ancient languages and Sumer writing on the basis of system researches of Sumer Assyrian Babylon and Hebrew texts has come to the conclusions shaking bases both a modern science and religions concerning a mankind origin Oleg Seriy not only became on protection of the theory of Sitchin but also has developed it in a new radical way having added his own vision of the world creation A task of Seriy as he puts it to himself is that we have think of and change our life hence the author is not able to manage it without the sermon turned to grass roots There are so many talks about a doomsday and attack of aliens but everybody thinks that aliens will capture people from space There is no one thinking that it can be in another way The author was the first expressing the ideas about those aliens are got into people Also he was the first who has developed this idea Oleg Seriy hasn t laid aside the problems of economic and political character also George Orwell in his 1984 John Perkins in Confessions of an Economic Hit Man tried to reach the judiciousness of people But it was only the iceberg top Oleg Seriy s work is more deeply developed rather than Perkins managed to do it Oleg Seriy deeper and radical thoughts admire with the completeness and innovation This book is really stunning from the point of view of sense and the maintenance The idea that people are morons is very courageous statement Even Zion wise men that have described Akumas people slaves in their reports have not dare to do it The idea about the deepest global problem of a society mankind moronity is a basis for thinking about meaning of the life And it is necessary so few to reach the idyll so desired by a society The only thing needs is to resolve this problem to get rid of mankind moronity But are people capable to understand it This question is bringing up through the whole book of the author Conclusion The author has mentioned ideas which only great writers as H G Wells in his War of the Worlds or Ursula K Le Guin in her Rocannon s World have dared to mention The Same ideas have been filmed in such films as 2012 directed by Roland Emmerich and Mars attacks directed by Tim Burton who has collected 2 awards and 13 nominations It is just surprisingly how well Oleg Seriy has managed to display all problems exciting mankind in his book Authors and directors even earlier have tried to state urgent problems in their works but Oleg Seriy managed to collect all facts in one book and to state them from a position of the modern world to introduce the opinion of theory of a mankind origin from deeper point of view So favourite and popular among readers book of known writers even were filmed by successful directors 1984 directed by Michael Radford on George Orwell s novel of the same name War of the worlds directed by Stephen Spielberg on Herbert Wells novel of the same name War of the worlds of Herbert Wells by Timothy Hines as a the filmed version of the novel of Herbert Wells War of the worlds Who is this AntiChrist What are signs of a doomsday What measures will be undertaken by aliens against the fallen mankind In this book you will find answers to these and many other questions Good Luck GSS Ltd
