Handbook of Research on Deconstructing Culture and Communication in the Global South Okocha, Desmond Onyemechi, Yousaf, Muhammad, Onobe, Melchizedec J., 2023-07-10 There are inequalities in global knowledge production in communication outlets cultural practices and governance problems Under this symbiotic relationship they reinforce the cultural ideas values and governance systems operating in the Western countries as an ideal and role model for the Global South countries Media is regarded as the agent of change for communication and cultural values Indigenous knowledge production and dissemination is an essential feature to get a better insight into Global South countries Likewise dewesternizing and demystifying societal culture and governance issues are pertinent in this age of information The Handbook of Research on Deconstructing Culture and Communication in the Global South focuses on local production practices keeping in view the local needs of communication outlets and societal and cultural sensitivities This Indigenous

knowledge would provide deeper and richer insights into the problems and sensitivities of Global South countries To achieve this end this book adopts a broader approach encompassing development issues democratic values digitalization practices gender equality issues and more Covering topics such as biocultural activism language ideology and religiocentrism this major reference work is a valuable resource for graduate students sociologists government officials students and educators of higher education librarians development organization leaders religious scholars policymakers researchers and academicians

Imperialism John Atkinson Hobson,1902

Mining Tycoons in the Age of Empire, 1870-1945

Raymond E. Dumett,2009 The years of the late nineteenth and early twentieth centuries aptly described by Mark Twain as the Gilded Age witnessed an unprecedented level of technological change material excess untrammelled pursuit of profit and imperial expansion Within this dynamic and often ruthless environment many colorful characters strode across the world stage among them the great mining tycoons who constituted one of the major spearheads of global capitalistic expansion and colonial exploitation This volume which carries the epic story to the mid twentieth century provides a truly international perspective on the role of mining entrepreneurs investors and engineers in shaping the economic and political map of the globe in testing management techniques and in setting a vogue for extravagant displays of wealth among the world's rich

Understanding

Socioeconomic Transformation in South Africa - What has not changed two decades into democracy Alson

Bhebe,2018-05-27 This book is a narration of the prevailing socio economic environment in South Africa A background is given on how this environment evolved More than two decades into democracy the third largest economy in Africa is failing to offer economic independence to its indigenous citizens It is quite concerning that the economy is creating billionaires by the day whilst the majority of the population is wallowing in poverty The book discusses how this environment can be changed A few practical examples are also used to justify assumptions made This is a must read book for anyone interested in understanding the socioeconomic environment and interested in influencing a transformational trajectory The book is written in plain and simple fashion that can be understood by anyone An Index is included for those seeking to use the book for academic purposes to navigate with ease

Kingdom Under Glass Jay Kirk,2010-10-26 A sweeping historical narrative of the life of Carl Akeley the famed explorer and taxidermist who changed the way Americans viewed the conservation of the natural world During the golden age of safaris in the early twentieth century one man set out to preserve Africa's great beasts In this epic account of an extraordinary life lived during remarkable times Jay Kirk follows the adventures of the brooding genius who revolutionized taxidermy and created the famed African Hall we visit today at New York's Museum of Natural History The Gilded Age was drawing to a close and with it came the realization that men may have hunted certain species into oblivion Renowned taxidermist Carl Akeley joined the hunters rushing to Africa where he risked death time and

again as he stalked animals for his dioramas and hobnobbed with outsized personalities of the era such as Theodore Roosevelt and P T Barnum In a tale of art science courage and romance Jay Kirk resurrects a legend and illuminates a fateful turning point when Americans had to decide whether to save nature to destroy it or to just stare at it under glass **A**
