The Signs of the Times Ryszard Bobrowicz, Emil Hilton Saggau, Jonas Otterbeck, 2025-08-15 This book delves into the dynamic interplay of popular culture and political theology, examining three key areas of interaction: engagement with liturgy and scripture, film and television, and music. From depictions of Jesus in *South Park* and *Family Guy* to Beyoncé's *Lemonade*, from cinematic scandals to portrayals of atheists and holy fools in film, from Islamic pop music to Bible-themed cookbooks and church yoga practices, this book explores how religious individuals and communities incorporate popular culture into their political theologies across diverse sets of beliefs and practices. In this way, the book heralds a renewed focus on popular culture's theological potential and its impact on the collective imagination. This volume will captivate researchers in theology, religious studies, cultural studies,

media studies and sociology of religion as well as general readers intrigued by religious themes in contemporary culture
