Whats Going On In The Zimsec:

Guerrilla Girl: A Girl's echoing voice in the Zimbabwe Chimurenga Helen Gamanya, 2023-03-05 Southern Rhodesia was a colony of the British Empire In 1980 it gained independence as modern day Zimbabwe after a long liberation struggle and a bitter guerrilla war Guerrilla Girl tells the story of Shupai and her journey to liberation Follow her from impoverished childhood in a convent school in rural Rhodesia to her experiences of discrimination and injustice as a young woman in the capital Salisbury her radical awakening amongst youth political groups to her transformation into a highly trained freedom fighter The women of Zimbabwe had to fight for liberation on two fronts from the domination of the common colonialist enemy and from the male chauvinism of their countrymen Most African men in Zimbabwe found it hard to accept women as fighters let alone as armed guerrillas Women had a hard time asserting themselves as capable and trusted liberators always in danger of being put down by their male counterparts Whilst the names of the characters are fictitious the majority of events and places are true Zimbabwe News, 1976 *THE - REVIEW What's Going On? - Operation Hope for Troubled Zimbabwe*, The initiative which includes the immediate provision of relief in the form of 4 500 blankets 37 tons of food water and medicine follows a visit on 10 11 July by a delegation from the South African Council of Churches SACC to Zimbabwe to provide pastoral solidarity to the communities affected by Operation Restore Order and Operation Clean up The limited chances to sustain a livelihood have been taken away from the relocated families It said pain and hurt is visible in the eyes of children parents are in despair and the deplorable health conditions have compromised the battle against HIV and AIDS and other infectious diseases It said the timing of the operations is when the Zimbabwe economy is at its worst and in the heart of winter We urge the South African government the Southern African Development Community and the African Union to heed the cries of the children of Zimbabwe Television visuals smuggled out of the country now backed up by the findings of a recent United Nations fact finding mission have provided us all with a glimpse of the effect of the most recent assault by the Zimbabwean government on its people under the guise of a campaign to clean up and restore order THE - REVIEW What's Going On? - NGO Bill in Zimbabwe Draws Criticism, The most comprehensive of these analyses that of the Zimbabwe Human Rights NGO Forum clearly concludes that the Bill violates the Constitution in a number of its clauses clauses 2 9 1 10 3 17 23 and 24 were all shown to be unconstitutional on a reading of the Constitution and the appropriate case law The International Bar Association commented as follows In the ultimate analysis not only is the Bill in flagrant violation of international and regional human rights standards and norms it also represents a decisive rejection of the terms of the Constitution of Zimbabwe which provide for the right to freedom of expression association and assembly However the major concern is over the implications of the Bill for the operation of a free and unfettered civil society and here the deepest concern is over the way in which the Bill may prevent the monitoring and observation of the forthcoming elections 4 GCC The Gauteng Council of Churches is a fellowship of Churches and Organisations which confess the Lord Jesus Christ as God and

Saviour according to the Scriptures and therefore seek to fulfill their common calling to the glory of the one God Father Son and Holy Spirit The Council affirms on the basis of the Scriptures that the Church is the body of Christ and therefore is one
