Jacobs, 2013-08-29 With the recent explosion of activity and discussion surrounding comics it seems timely to examine how we might think about the multiple ways in which comics are read and consumed *Graphic Encounters* moves beyond seeing the reading of comics as a debased or simplified word based literacy Dale Jacobs argues compellingly that we should consider comics as multimodal texts in which meaning is created through linguistic visual audio gestural and spatial realms in order to achieve effects and meanings that would not be possible in either a strictly print or strictly visual text Jacobs advances two key ideas one that reading comics involves a complex multimodal literacy and two that by studying how comics are used to sponsor multimodal literacy we can engage more deeply with the ways students encounter and use these and other multimodal texts Looking at the history of how comics have been used by churches schools and libraries among others will help us as literacy teachers best use that knowledge within our curricula even as we act as sponsors ourselves

Secret Heat When Linda Dorgan takes a solo vacation to a Mediterranean island, her friends think she's insane. After all, she's never even been out of the country, but Linda needs to draw a line between her failed marriage and her new life between her suddenly stalking ex-husband and all those eligible fish that are supposedly swimming in her sea. She needs time and space from her ex and every other red-blooded American man. Her escape is interrupted by a handsome, sandy-haired American who breaks her reverie on the beach and stirs something in her heart before walking away and leaving her prey to the local authorities who are tracking him. All she knows about him is his name and that he does diplomatic work, though both of those things turn out to be untrue. Seduction's Kiss (The Allure Chronicles) Alyssa Rose Ivy, 2015-01-19

Never agree to a road trip to New Orleans with your roommate. At least not when your roommate is dragging you along while she reconnects with an ex-boyfriend.

Possible consequences of failing to take my advice:

1. Unknowingly going out with a vampire stripper
2. Getting kidnapped by said vampire's nest mates
3. Falling head over heels for your winged hero

Believe it or not, number 3 is the worst one, especially when no one believes you that he exists.
