Wrapped Around Him Moroad Motorcycle Club English Edition:

Wrapped Around Him Debra Kayn, 2015-02-03 Empathy is an emotion that has always evaded Cam Farrell president of the Moroad Motorcycle Club and prisoner 18794. He's gambled with his life to finish the gun chain running across the states, get the majority of his MC brothers working inside the prison system and place the smoke screen in Federal Idaho. He only needs one more thing: Christina. What he wants, he takes, and freedom doesn't mean a damn thing. Christina Nickelson keeps to herself and uses her part-time job for Silver Valley's Department of Children's Services to help those who are also alone and hurting. The anger and fear she thought she'd overcome after her parents were murdered resurfaces when an ex-convict and leader of a motorcycle club claims a teenage boy in her care. She can't let her worries go. Putting herself at risk, she finds herself held hostage, witnessing a murder and questioning fate. The only person she can rely on is the biker who will kill her if she tries to leave.

His Crime Debra Kayn, 2015-06-29 Cam's obsessive hold on Christina erupts in a mind-blowing conclusion. One breath leaves him weak. Love hurts. President of Moroad Motorcycle Club and career criminal Cam Farrell gets a second chance at life. He promises to keep Christina at his side and bring his son home alive. But when new secrets come out and club business sparks a war, Cam must learn that family comes first or risk losing control of his club, his MC brothers in prison, his woman. Nothing is black or white. Sometimes bad people win. Determined to make sure Cam stays alive and Jeremy comes home, Christina Nickelson stands up against Cam, the club, and society. At her lowest, she's willing to fight dirty to make sure her unconventional family stays together. Even at the risk of losing Cam's love.

Time Owed Debra Kayn, 2015-09-01 The bestselling Moroad Motorcycle Club series continues with a standalone novel. In and out of prison his whole life, James Merk Tarmerk lives day to day surviving as a member of Moroad Motorcycle Club. When club business brings a green-eyed woman back into his path, he recognizes his chance to extract payment on the little girl who has plagued him since he'd murdered her father. Addicted to high risks and the ultimate wins, Desiree Carlyle gambles on everything except love. When Pop hires a quiet and dangerous biker to run security at the bar, Desi experiences the calm and safety she's craved since she was thirteen years old and finds herself caught in a web she can't escape. He wants the twelve years he spent in prison for murder back. It's time for her to pay.

The Ultimate Biker Anthology: An Introduction To Books About Motorcycle Clubs & Outlaw Bikers

Edward Winterhalder, Iain Parke, 2013-11-15 Outlaw bikers and 1%er motorcycle clubs have always carefully guarded their privacy; however, in recent years more and more books have come to be written by and about outlaw bikers, the lifestyle, and the realities of life inside the patched motorcycle club world. This anthology brings together some of the best authors in the world who have recently written about motorcycle clubs, outlaw bikers, and the biker culture. It features excerpts from internationally well-known authors such as Peter Edwards, Tony Thompson, Edward Winterhalder, and Iain Parke, but also contains literary work from those who are relatively unknown and those who have only achieved recognition on a local scale. Covering both factual accounts of life inside clubs such as the Hells

Angels Satan's Choice Bandidos Rock Machine and the Outlaws as well as leading examples of biker based fiction that explore the images of bikers and crucial themes such as loyalty respect and honor this compilation is intended to introduce the reader to the secretive world of motorcycle clubs and outlaw bikers **Where We Ended** ASHLEY. MUNOZ,2024-07-26 The final chapter to the addictive Stone Riders series is finally here It's been two years since I was traded to the Stone Riders Motorcycle Club While it saved my life I was forced to leave behind the only person that ever mattered to me Dripping with tattoos his hair as dark as his soul the brooding president of the Death Raiders still holds my heart even if he doesn't seem to know what to do with it Yet Silas has watched me from afar for years always protecting me from a distance and creating havoc on my tattered emotions To love and be loved an arm's length away has been torture until it seemed we might finally free ourselves of this pain Unfortunately whatever we wanted or could have dreamed of having gets ripped out of reach when old enemies return While one wants power the other only wants me I'll grieve the dream of a future with Silas because if there's one thing I know it's that there is no world in which he would ever share me with another If this is to be our end then I'll say goodbye with ink stained arms wrapped around me and death itself still holding my heart While each book in this series can be read as a standalone this book is the exception The plot from books one through three will come to an end with this book so it is highly recommended to read them in order to fully enjoy and understand what's happening in this book
