

## Lesson Plan- Book Review Crafting

1. Students work in pairs to tell each other a little about a book they have recently read and enjoyed.
2. Students brought together to discuss why they liked a particular book.
3. Write the title: "Three Cups of Tea" on the board. Ask students if they have heard of it and what they know about it. What kind of story is it? Display pages three and four in the classroom or circulate to students.
4. Ask students to read the synopsis and section of page one. How could they summarise it to give prospective readers an idea of the story?
5. Ask them to write a short paragraph summarising the opening events. As they write, encourage students to look at each other's work. They might begin like this:

Example: The story begins with Greg Mortenson flying in a helicopter. Greg is concerned about whether the pilot knows where he is going...

6. Ask the class about what might be included in a review. Build up a list of categories like the one shown below:

|            |                                                                                                                                         |
|------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Title      | What is the title of the book?                                                                                                          |
| Author     | Who wrote it?                                                                                                                           |
| Type       | Is it a detective story, thriller, horror story, biography, romance etc?                                                                |
| Subject    | What is it about? Family life, an unusual person, a mystery, an adventure?                                                              |
| Characters | Who are they? What are they like?                                                                                                       |
| Setting    | Where does the story take place?                                                                                                        |
| Time       | Is it written in the present time, in the past or in the future?                                                                        |
| Events     | What happens? (Don't tell the whole story, just enough to interest your readers)                                                        |
| Ideas      | Is the writer saying something important about people? Is there a 'message' in the story?                                               |
| Comments   | How would you describe the story? Amusing? Exciting? Fast-moving? Sad? Did you like it? What especially did you like? How did you feel? |
