MY AUTOBIOGRAPHY

I am Alea Mae D. Benitez, I was born on May 7, 2000 in Pasay City, Philippines. We are two siblings in the family, I am the second child. My mother's name is Divina D. Benitez from Sorsogon, Bicol. My father's name is Nelson D. Benitez. And he is from Camarines Sur, Bicol.

During weekends, we usually spend our days in the family. We always go to church. We helped each other in our activities. My family was a happy and loving family. I had a happy childhood living with my parents and my siblings. I completed my elementary education at Don Carlos V. Benitez Elementary School. During my junior high school, I completed my junior high school at President Corazon Aquino National High School and I usually spend my time with my friends. Since the lockdown, I have a daily routine with my friend for a Google meet until dawn, and we do various things when we do, such as talk about what is going on in our lives and watch movies that have been shown several times. We have been watched pitch perfect all seasons. I finished it several times. When I am not with them, I watch shows like Mr. Queen and Ghost Doctor. And I am a senior at Pasay City South High School, I work hard at everything I can to get into a good university where I can continue my college.

Writing An Autobiography Essay:

Writing True Stories Patti Miller, 2017-06-30 Writing True Stories is the essential book for anyone who has ever wanted to write a memoir or explore the wider territory of creative nonfiction. It provides practical guidance and inspiration on a vast array of writing topics including how to access memories, find a narrative voice, build a vivid world on the page, create structure, use research, and face the difficulties of truth telling. This book introduces and develops key writing skills and then challenges more experienced writers to extend their knowledge and practice of the genre into literary nonfiction, true crime, biography, the personal essay, and travel and sojourn writing. Whether you want to write your own autobiography, investigate a wide-ranging political issue, or bring to life an intriguing history, this book will be your guide. Writing True Stories is practical and easy to use, as well as an encouraging and insightful companion on the writing journey. Written in a warm, clear, and engaging style, it will get you started on the story you want to write and keep you going until you reach the end. A rich, practical, and accessible source of wisdom, the complete tool kit. Caroline Baum. Patti is the writing whisperer. She taught me how to stop daydreaming and to get writing. I couldn't have written my memoir without her. Jessica Rowe. Writing the Self Kerstin W. Shands, Giulia Grillo, Mikrut, Dipti R. Pattanaik, 2015-09-24 Recent discussions of autobiographical writing have led to a new terminology: autographies, autre biographies, nouvelle autobiographie, autofiction, faction, egolitterature, circonfession, and current approaches to autobiography and autofiction suggest that this literary field offers a renewal and even a revolution of life writing. Exploring autobiographical expression from different perspectives, the thirty essays in this book were presented at an international conference held at Sodertorn University in 2014. As the essays in this anthology suggest, literary critics and authors alike are rethinking autobiographical writing and its definitions. Through the variety of papers, this anthology offers a thought-provoking overview of different approaches to autobiography and autofiction. Writing True Stories Patti Miller, 2017-06-28 Patti Miller is the most well-regarded and experienced memoir teacher in Australia. And Writing True Stories is the culmination of her experience as an award-winning non-fiction writer as well as an acclaimed memoir teacher. Writing True Stories is invaluable for anyone who has ever wanted to write their own memoir or their family's history. Patti Miller has included writing exercises, examples, and readings to help each writer accumulate the skills necessary to write their stories in a fascinating and engaging way. The book is organised in a graded development of writing experience and will be used by beginning writing students and more advanced writers. *Past Tenses* Carolyn Steedman, 1992. Life Writing R.
