Your Sky box gets digital information from the satellite through the minidish, it then decodes the information and sends it to your TV.

Keeping you up-to-date

As we make improvements and create new features, we update the software you see onscreen by sending it via the satellite. We'll let you know about these new features as soon as they're available.

Check channel 999 (Sky Customer Channel) and 998 (Sky Welcome Channel) for the latest on Sky features.
