While searching for a stolen vehicle he gets lost and meets Colin Sharpe who's a member of the local Native American tribe. The two are attracted to one another but after a run-in with some tribe teenagers that ends in bad blood between the sheriff's department Will and Colin's father the two can't think of worse people to get involved with. When Colin's father and the tribal council wage a war against Will in the form of a lawsuit with some nasty allegations from a troubled teenager Colin and Will must face the reality that they have no future. But after running into each other in a more neutral environment they decide to throw caution to the wind and get each other out of their systems. What was supposed to be one night turns into an affair that neither sees having a happy outcome. Will's been hurt by falling for the wrong man before. Can he and Colin put aside the tribe's prejudices and make a stand for love? Where the World Ends Geraldine McCaughrean, 2022-01-13 In the summer of 1727 a group of men and boys are put ashore on a remote sea stack to harvest birds for food. No one returns to collect them. Why? Surely nothing but the end of the world can explain why they have been abandoned. And how can they survive, housed in stone and imprisoned on every side by the ocean? **The Way the World Ends** René Kruse, How the World Ends (Book One) Rudolf Kerkhoven, 2017-08-06 More than six billion people died on the 14th of August 2007. Many walked into oceans and rivers. Some leaped from the roofs and balconies of buildings. Others attacked anyone within reach, forming marauding hordes that quickly left no survivors. Within an hour, nearly the entire human race is dead. Without struggle, without resistance, the world has ended. For one family of survivors, a new world now begins.
