The Dream Police - English version Alessandro Giudice, 2017-12-28 Almost certainly the content of the following specification is something already well known therefore it may seem superfluous here nevertheless we prefer to propose it just the same During the length of this story we will neglect the obvious definition regarding what is commonly considered as an act of conscious will We d rather observe that by act of unconscious will we mean an act performed according to the will of which the person who acts is not conscious therefore that act is the result of an unconscious will pulsion Instead by involuntary act we mean an act performed without any conscious or unconscious will by the person who acts for example it s the case of those acts belonging to circumstances such as unexpectedly meeting someone something while you re walking that meeting does not depend on the conscious or unconscious will of the person About all that this is not the adequate place to deal with either supernal will or coincidence the latter not to be interpreted as a casualness but literary as the event of coinciding as synchronicity according to the undersigned The dream and the acts it contains here represent a matter on their own You can conceptualize as you please the distinction among a nihilist a dissident a dissentient and a subversive according to the power system described in this story the latter two could be considered as interconnected for precautionary measures You can imagine as you please the complexions and the jobs of the characters in this story The Author Heartless English Edition JONAXX, 2023-06-02 Rozen Elizalde knows what he wants and won t let anyone or anything stop him from getting them He is strong willed driven stubborn and resolute which causes him to clash with the people around him including his family Despite all that Rozen proves himself to be faithful caring and protective Coreen Aquino likes to play things safe and is always caught in the middle of two big choices She thrives in that constant state of uncertainty forcing others to wait for her to make decisions But when push comes to shove Coreen is prepared to sacrifice for the people she loves even if it means leaving the safety of her comfortable state of limbo Rozen has been pining for Coreen since they were children but Coreen likes his brother Noah more and has not exactly been subtle with her feelings Add to that the fact that she likes the chase too much to give it up just like that But Coreen and Rozen will soon learn that though the people we love can be cruel to us the people who are most heartless to us are ourselves *Spitz and Fisher's Medicolegal Investigation of Death* Werner U.
