The Whiskey Sour Jeanette Hurt,2024-09-03 Certain cocktails carry societal connotations and cultural meaning Some drinks are regional symbols such as the mint julep which is inextricably tied to the Kentucky Derby Classic drinks like the old fashioned or the Manhattan tend to denote a more sophisticated or mature drinker whereas wine coolers and tropical cocktails often appeal to those who prefer lighter and fruitier alcoholic drinks Enter the whiskey sour A cocktail from the sour family the iconic drink is usually made with bourbon whiskey lemon juice and sugar While its ingredients are strikingly similar to those in an old fashioned the whiskey sour is far less revered and in certain circles maligned for its sweetness The Whiskey Sour elevates the reputation of the classic cocktail by exploring its rich history starting in the 1600s with punch the predecessor to sours and bringing the reader through to the twentieth century when the whiskey sour was well established Seasoned mixologists and new cocktail enthusiasts will be educated about the development of the traditional recipe and encouraged to make their own creations by incorporating modern riffs syrup additions and fun enhancements Part historical narrative part recipe book this friendly and approachable guide challenges the stigma surrounding the cocktail as a drink for unrefined tastes and illustrates the elegant romantic and complex facets of the whiskey sour a perfectly sweet tart and balanced cocktail

Peach Whiskey Sour and Other Recipes Randy Woodward,2021 Ah the whiskey sour one of the oldest cocktails that we still know and love today It was once just a simple cocktail but has grown to be more complex as time went by Nowadays a surprising element is added to contribute to its overall appeal an egg white That s right an egg white freshly cracked from the shell Though this may seem scary for some that fear will ultimately fade away as you get to taste it People love it for its creamy texture a hint of sourness and its booze The whiskey sour dates back to 1862 when it was written by Jerry Thomas in the book *The Bartender s Guide*

but its inception goes way back in the 1700s on naval ships to battle some nasty issues like malnutrition and scurvy. It was a simple recipe back then with just three ingredients: a base spirit, citrus juice, and water. Over time, sugar was added to balance the flavors, and eventually the egg white element was incorporated into the whiskey sour cocktail. The drink became so popular that variations sprouted everywhere, whether using different alcohols or adding some fruit to it. One of which is the peach whiskey sour. The sweetness of the peach really plays well with the tanginess of the lemon and the heat of the whiskey, resulting in a delicious package. A few months from now, specifically on August 25, is the National Whiskey Sour Day, so be sure to try this out or if you can't wait that long, gather your ingredients and tools and whip it up now.
