Approaches to Teaching DeLillo's White Noise Tim Engles, John N. Duvall, 2006 Don DeLillo s satiric novel *White Noise* prophetic in 1985 about American society s rampant consumerism information overload overreliance on the media and environmental problems may seem to today s students simply a description of their lived reality The challenge for teachers then is to help them appreciate both the postmodern qualities of the novel and its social critique This volume like others in the MLA s *Approaches to Teaching World Literature* series is divided into two parts The first part *Materials* suggests readings and resources for both instructor and students of *White Noise* The second part *Approaches* contains eighteen essays that establish cultural technological and theoretical contexts e g whiteness studies place the novel in different survey courses e g one that explores the theme of American materialism compare it with other novels by DeLillo e g *Mao II* and give examples of classroom techniques and strategies in teaching it e g the use of disaster films

Death in Don DeLillo's 'White Noise' Jan Riepe, 2005-05-06 Seminar paper from the year 2002 in the subject American Studies Literature grade 1 5 University of Freiburg Englisches Seminar course Proseminar Postmodern American Fiction after 1975 language English abstract In the following pages I will discuss the role of Death in Don DeLillo s *White Noise* and I will show that the protagonist Jack Gladney is not only obsessed with death but

that fear and obsession are the main driving forces in his life Further it is the aim of this paper to show that Jack Gladney goes through a change which results in him being able to cope with his fear and that DeLillo holds technology responsible for Jack s obsessive fear In order to support the thesis of this paper I will analyze the role that death plays in Jack s life in regard to his family his job consumption and technology To support the thesis of Jack going through a change I will discuss Jack s relationship to death before and after the exposure to the chemical spillage and most important before and after Jack s being nearer to death when attempting to kill Willie Mink Concluding I will look at the novel s link between death and technology Jack Gladney lives with his wife Babette and their children from previous marriages in a house at the end of a quiet street in the quiet town of Blacksmith He is head of the department of Hilter Studies at the College on the Hill Jack has specialized on Hitler and built a whole department around this single figure of history In academic circles he is widely known as the leading expert on Hitler and his articles are printed in the appropriate journals But Jack neither reads nor speaks the German language a fact he desperately tries to keep a secret He hides behind his dark glasses and academic robe

Center for Engelsk,2010 **Satire in DeLillo's "White Noise"** Patricia Schneider,2010-10 Seminar paper from the year 2009 in the subject English Literature Works grade 2 0 University of Freiburg Englisches Seminar course Proseminar I Postmodern American Novel language English abstract Satire sarcasm irony these are all related stylistic devices but there are crucial differences Both satire and sarcasm generally ridicule human behaviour but only the satire implies the intent of improving the ridiculed behaviour Irony on the other hand includes an incongruity or a connection that goes beyond the most obvious meaning and can therefore be used to underline the ridicule of the satire or the sarcasm In White Noise DeLillo uses the satire to ridicule human behaviour in four different respects to satirize the human behaviour related to consumerism to satirize the human behaviour that is determined by the media to satirize the behaviour of the novel s characters in their role in the family and to satirize Jack s academic life by depicting the lack of seriousness in his studies However DeLillo not only uses the satire to ridicule the behaviour of the novel s protagonist and his family but also shows the difficulties that arise when trying to improve the satirized behaviour
