Gangel, 2007-12-01 Since Jean Lipman Blumen's *The Allure of Toxic Leaders* shook the corporate world in 2005 countless articles books and Internet blogs have appeared on the topic Despite such interest and response no study of toxic leadership had appeared from a Christian point of view until this volume Kenn Gangel's *Surviving Toxic Leaders* Gangel begins by showing that toxic leadership existed throughout biblical history Making generous use not only of biblical materials but also of contemporary leadership literature Gangel names the causes and cures of power abuse cheating bullying laziness and dictatorial behavior in today's leaders Readers will benefit from Gangel's leadership experience and expertise He has been a pastor a college dean twice and a college president Gangel currently edits *The Seal* a review of leadership literature Practical and personal *Surviving Toxic Leaders* abounds with stories of real people and their situations Everyone who has ever had trouble at work will benefit from *Surviving Toxic Leaders* *Toxic Faith* Stephen Arterburn, Jack Felton, 2011-04-13 *Experiencing Healing from Painful Spiritual Abuse* When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess prevent every hurt and mend every conflict *Toxic Faith* distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair *Toxic Faith* shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing Toxic Church Chris Creech, 2014-08-13 Every year thousands of pastors are forced from their ministries many never to return Studies reveal that forced terminations once having occurred in a local church often repeat themselves in the same church demonstrating a pattern of dysfunction and difficulty within those fellowships In *Toxic*

Church Creech examines how the patterns of family dysfunction find their way into the life of the local church often producing severe conflict causing division enabling sin and even ending the ministry of the pastor and possibly even the local church Additionally Creech outlines a plan for recognizing dysfunction within the church family diagnosing the root causes of that dysfunction and taking steps to protect the church and the pastor from what many now call the epidemic caused by toxic churches and the clergy killers within them **How Jesus Saves the World from Us** Morgan Guyton,2016-04-01

Christianity has always been about being saved But today what Christians need saving from most is the toxic understanding of salvation we've received through bad theology The loudest voices in Christianity today sound exactly like the religious authorities who crucified Jesus This is a book for Christians who are troubled by what we've become and who want Jesus to save us from the toxic behaviors and attitudes we've embraced Each of the 12 chapters proposes an antidote for the toxicity that has infiltrated Christian culture such as Worship not Performance Temple not Program and Solidarity not Sanctimony Each chapter includes thought provoking discussion questions perfect for individual or group study There are many reasons to lose hope about the state of our world and our church but Guyton offers one piece of good news Jesus is saving the world from us one Christian at a time **Toxic Churches** Marc Du Pont,2004-01-01

[Toxic Life](#) Luke Gregory, 2019-07-23

Today you made another step towards you and your Christian soul. I embrace you with much warmth and admiration that you are here and that you had the curiosity. What does Christian faith mean to be you? To live. To suffer. To love. To be disappointed. To be happy. To laugh. To cry. To feel. To have faith. To feel and have faith with all your heart in what you believe and think to do what you feel. This Christian healing book delves into the negative and downright devastating events that occur in our lives that break our faithfulness, hearts, and trample our spirits, but it won't be human-made wisdom pellets being handed out here. This is a Christian journey to find God in the midst of our sorrow. We will take a walk in the shoes of Job, a man who suffered devastating losses simultaneously but never once stopped giving God praise and glory. We will look at why sometimes we just don't understand God in the midst of our tribulations but how to trust Him anyway. We will explore what the Bible says about how to deal with emotions, recognizing the toxic people in our lives, and how to show them the exit sign, finding freedom by letting go of past hurt and disappointment and discovering how to grow through and from your pain. You will discover in my Christian book, **Preparation For A Purpose: Part I: Losing It All: Burying Heartache: Pathway of Disobedience: Chapter 2: Tribulations Of A Self-Made Millionaire: One Of The Very Worst Days In History: A Modern Understanding of faithfulness: Chapter 3: Managing Emotions: Anger Is Not The Enemy: It's Okay To Be Sad: Chapter 4: Understanding God's Will: Suffering From Purpose: Part II: Letting It Go: Part III: Moving Forward: Lessons Learned.** Read my healing Christian book if you have problems in your life with your faith. People who have problems communicating with people in their lives and with love from or for them. Those who have gone through a difficult moment and were blocked at a time or in our present hard days for a Christian soul. Those who want to learn how to manage a difficult situation and understand why living faith could save a soul. Those who want to learn

more about the cause and effect of hard times in our spiritual life I have been through my share of disappointments and devastations but I wouldn't have come out on the other side without a faithful Father to see me through He has shown me His promises that continually prove His love and divine will and He has shown me how to find my purpose in pain He wants you to find His promises and His purpose for your life too When standing on the other end of the most difficult times in our lives you can be sure that God will use those experiences as teachable moments somewhere down the road The lessons that each of us learns might not be the same but God will often give insight on how a particular circumstance in our past is helping to shape our future and how it might help shape someone else's as well There is great power in testimony so if we are able to share the testimony of how God transformed our lives despite walking through dark and challenging times it could inspire or give hope to someone else who is still in the thick of their own hardship Even though my own personal losses and tragedies were a time when my faith suffered the most I can look back now to see that God's faithfulness never wavered I'm sure my book will guide you through your spiritual life and your christian path *Toxic Christianity* Paul DeBlassie,1992 A Christian depth psychologist charts a path to emotional and spiritual wholeness for those whose religious understanding has hurt rather than helped them Dr DeBlassie has counseled many people whose religion has held them in spiritual bondage rather than intimately connected to the vital center Theoretical material is balanced with crisp clinical illustrations and colorful anecdotes **Retrain Your Brain** Scott Silverii,2021-01-12 Our society is littered with the barbed hooks of sexually explicit imagery and seductive temptation Simply telling yourself not to look or think about dark thoughts is not going to help you break free from the stranglehold Everywhere we turn women and men are engaged in a war being waged for our attention through temptation The cost of this battle is the corruption of our minds You have the authority to control your way of thinking Retrain Your Brain gives you the resource to accomplish it Don't give up It's never too late to rewire the way your mind's thoughts fire The process of focusing your thinking toward a positive winning process is the same for men women single married old or young Our brains are a complex and incredible miracle and we can learn to clear the clutter Dr Scott Silverii goes straight to the heart of the problem in this practical battle plan for retraining your brain You'll understand the enemy like never before and begin to identify the streams used to launch attacks against your mind Developing mental armor against those attacks will help you break free from the chains of sexual temptation You can live in victory and it all begins with the way you think **Toxic faith** Stephen Arterburn,1991
