Underhill,2025-05-22 Underhill s tender innovative debut is the smartest take on this trope I ve ever read Jodi Picoult 1 Sunday Times bestselling author Underhill skilfully employs a clever set up and a queer lens to explore the deep changes we all experience in growing up Steven Rowley New York Times bestselling author of The Guncle A whimsical and healing novel about a trans man in New York who almost 30 laid off broke moves back to his small Illinois hometown walks into the bookstore he worked at in high school and slips through time to come face to face with his pre transition teenage self If you had one chance to talk to your younger self would you What would you say When Darby left Oak Falls for university in New York City all he wanted was to get as far away as possible find a community where he could start afresh and finally forget about his childhood best friend Michael and just how painfully their friendship ended Now about to turn 30 Darby suddenly finds himself unemployed With no better alternative and questioning where he really belongs he moves back to his hometown But the changes in Oak Falls make him feel off balance And Michael s still there their relationship still distant and strained One thing is familiar In Between Books Darby s refuge growing up and high school job When he walks inside Darby feels an

eerie sense of d j vu everything is exactly the same Even the newspapers are dated 2009 And behind the till is a teen who looks a lot like Darby did at sixteen a teen who just might give him the opportunity to change his own present for the better if he can figure out how before his connection to the past vanishes forever **Write Like this** Kelly Gallagher,2011 If you want to learn how to shoot a basketball you begin by carefully observing someone who knows how to shoot a basketball If you want to be a writer you begin by carefully observing the work of accomplished writers Recognizing the importance that modeling plays in the learning process high school English teacher Kelly Gallagher shares how he gets his students to stand next to and pay close attention to model writers and how doing so elevates his students writing abilities Write Like This is built around a central premise if students are to grow as writers they need to read good writing they need to study good writing and most important they need to emulate good writers In Write Like This Kelly emphasizes real world writing purposes the kind of writing he wants his students to be doing twenty years from now Each chapter focuses on a specific discourse express and reflect inform and explain evaluate and judge inquire and explore analyze and interpret and take a stand propose a solution In teaching these lessons Kelly provides mentor texts professional samples as well as models he has written in front of his students student writing samples and numerous assignments and strategies proven to elevate student writing By helping teachers bring effective modeling practices into their classrooms Write Like This enables students to become better adolescent writers More important the practices found in this book will help our students develop the writing skills they will need to become adult writers in the real world **Dear Hades** Alyssa Roat,Hope Bolinger,2024-09-10 She s a monster He s a mortal Killing each other should be easy right When Medusa and Tiresias rise from the Underworld as twenty first century teens and meet through Persephone and Hades new dating app it seems like a second chance Dating is hard when you turn everyone to stone but dating a blind prophet may be a loophole even if he does occasionally spout dire prophecies But not everyone is pleased with an app designed to kindle romance between mortal enemies As distrust grows between the heroes monsters and gods making up the app s user base it s easier to fall into old habits than fall in love With pressure building on both sides Medusa and Tiresias accept their task kill their date no matter how much they bond over their love of dogs or the way the gods have wronged them in the past Caught amongst meddling gods murderous heroes and a classic Greek bet Medusa and Tiresias may have signed up for more than a dating profile With war brewing at the hands of the gods working together may be the only way to save mortals and monsters alike Told entirely through instant messages and transcripts this is one mythically funny romantic comedy you don t want to miss
