Where It Began Gloria Fennell,2023-10-05 As a nine year old child and a new Christian not knowing what Christianity was all about the author knew her life would be different now but How What s this Christianity all about In this book she attempts to fill in the blanks for the things a New Christian needs to know besides the fact that now I m a Christian Questions Like Now what Where do I start What s the next step Where do I go from here She takes you along from her first experience of becoming a Christian to growing up to her adulthood sharing her experiences with you as she tries to find her way She experiences hard times good and bad times but as she grows and finds her way the blanks begin to fill in one by one Her methodology is discussed in a way that if one knows nothing at all about what to do or what s next she will lead you down the path that led her to finding her answers Walk with her and see **Where It Began**

Korea: Where the American Century Began Michael Pembroke,2018-05-04 Unless you know the history you cannot see the future In late 1950 the US led invasion of North Korea failed and for the next three years the United States bombed the North s cities towns and villages relentlessly Pyongyang has been determined to develop a credible nuclear deterrent ever since The Korean War was the first of America s unsuccessful military interventions post World War II and its first modern conflict with China It established the pattern for the next sixty years and marked the true beginning of the American century With compassion for the people of the North and South and understanding for the soldiers caught between the bitter winter and an implacable enemy Michael Pembroke tells the absorbing story of Korea It is essential reading for anyone seeking to understand why the Korean peninsula has become the nuclear flashpoint it is today

Where We First Began Rebecca Elise,2019-07-09 After Aubrey Harrison wrecks her truck on a dark highway an unexpected twist of fate catapults her from modern day Texas to 1836 just weeks before the battle at the Alamo She wakes up in the life of another woman one who looks exactly like her Determined to find a way back Aubrey avoids the striking young cattleman Tapley Holland and the complicated past he s convinced they share But she finds herself unwillingly engaged to the town s wealthiest and most powerful bachelor a man with a cruel vendetta against Tapley The deeper she falls into the past version of herself the less she can deny her connection to Texas history and the desire she feels for cattleman At first destiny seems to favor the lovers But as the beautiful countryside prepares for one of the deadliest conflicts in history Aubrey discovers that love is not bound by time

Where Song Began Tim Low,2016-09-27 An authoritative and entertaining exploration of Australia s distinctive birds and their unheralded role in global evolution Renowned for its gallery of unusual mammals Australia is also a land of extraordinary birds But unlike the mammals the birds of Australia flew beyond the continent s boundaries and around the globe many millions of years ago This eye opening book tells the dynamic but little known story of how Australia provided the world with songbirds and parrots among other bird groups why Australian birds wield surprising ecological power how Australia became a major evolutionary center and why scientific biases have hindered recognition of these discoveries From violent swooping magpies to tool making cockatoos

Australia's birds are strikingly different from birds of other lands often more intelligent and aggressive often larger and longer lived Tim Low a renowned biologist with a rare storytelling gift here presents the amazing evolutionary history of Australia's birds The story of the birds it turns out is inseparable from the story of the continent itself and also the people who inhabit it *Something in This Book Is True, Second Edition* Bob Frissell, 2011-10-25 A training manual for navigating a future full of danger and hope this book considers earth changes pole shifts Hopi prophecies the secret government and much more Written in Bob Frissell's warm personal style with updated commentary *Something in This Book Is True* is both an account of Frissell's journey to inner discovery and empowerment and a most unusual reader's guide Delving into topics as eclectic as polarity consciousness emotional body clearing and higher selves Frissell affirms that humanity is composed of spiritual beings having human experiences not vice versa This new edition incorporates photos and illustrations into Frissell's engaging text *How It All Began* Nikolai Bukharin, 1998-06-05 Here at last in English is Nikolai Bukharin's autobiographical novel and final work Many dissident texts of the Stalin era were saved by chance by bravery or by cunning others were systematically destroyed Bukharin's work however was simultaneously preserved and suppressed within Stalin's personal archives At once novel memoir political apology and historical document *How It All Began* known in Russia as the prison novel adds deeply to our understanding of this vital intellectual and maligned historical figure The panoramic story composed under the worst of circumstances traces the transformation of a sensitive young man into a fiery agitator and presents a revealing new perspective on the background and causes of the revolution that transformed the face of the twentieth century Among the millions of victims of the reign of terror in the Soviet Union of the 1930's Bukharin stands out as a special case Not yet 30 when the Bolsheviks took power he was one of the youngest most popular and most intellectual members of the Communist Party In the 1920's and 30's he defended Lenin's liberal New Economic Policy claiming that Stalin's policies of forced industrialization constituted a military feudal exploitation of the masses He also warned of the approaching tide of European fascism and its threat to the new Bolshevik revolution For his opposition Bukharin paid with his freedom and his life He was arrested and spent a year in prison In what was one of the most infamous show trials of the time Bukharin confessed to being a counterrevolutionary while denying any particular crime and was executed in his prison cell on March 15 1938 While in prison Bukharin wrote four books of which this unfinished novel was the last It traces the development of Nikolai Kolya Petrov closely modeled on Nikolai Kolya Bukharin from his early childhood through to age fifteen In lyrical and poetic terms it paints a picture of Nikolai's growing political consciousness and ends with his activism on the eve of the failed 1905 revolution The novel is presented here along with the only surviving letter from Bukharin to his wife during his time in prison an epistle filled with fear longing and hope for his family and his nation The introduction by Stephen F Cohen articulates Bukharin's significance in Soviet history and reveals the troubled journey of this novel from Stalin's archives into the light of day **The Book of Martyrs ...
