Whiskey Distilled Heather Greene,2014 Offers a basic primer on whiskey and whiskey drinking looking at the characteristics of different types of whiskey the distillation process and appreciation tips Whiskey Business Tom Acitelli,2017-06-01 Discover the underdog story of the improbable rise of small batch distilling in America This bracingly written fast paced work traces the relationship of Americans to spirits such as bourbon scotch vodka gin and rum And it presents the full story of a plucky band of entrepreneurs who disrupted the nation s conception of how those libations could appear and taste and how much they could cost Acitelli weaves the unlikely triumph of the small batch distilling movement into other major trends including a neo Prohibitionism that nearly croaked the entire thing America s re embrace of cocktails and the twin rises of craft beer and fine wine He also expertly delves into the controversies currently wracking American spirits ones that threaten to tank the movement at the moment of what should be its greatest triumph Whisk(e)y Distilled Heather Greene,2014 *Make it a Double* Shelley Sackier,2022-06-07 A witty and immersive look at the history mythology science and magical touch that makes whisky taste like a drop of gold Braving the all boys clubhouse of the world of whisky has not been easy but Shelley Sackier has managed to do just that out of her love for the drink By turns funny and poignant and filled with vivid insight into this ancient craft *Make it a Double* will persuade even a teetotaler to want a wee dram As a woman whose first sip of whisky created the female doppelganger of a Mr Yuk sticker that experience produced a sharp realization that the liquid was foul poisonous and needlessly dirtied a previously clean glass And then she met Scotland Her curiosity and growing passion lit a fire igniting a desire to learn more about this craft s rich and vivid history and the need to break out of an old life and to become the mother partner and woman she has always sought to be After completing a course in Scotland s famed Bruichladdich Distillery Shelley begins her path of writing about and working within the world of whisky There has never been a better time for Shelley s inimitable voice to shed light on this intoxicating realm Women are not only impressively contributing to the burgeoning sales of the spirit making up nearly 40% of the whiskey drinking population in the United States but they are also growing in number as they enter in to train within and lead the industry with their determined creativity and innovation In the tradition of *Blood Bones and Butter* *Make it a Double* establishes Shelley Sackier as a fresh new voice in the lush world of culinary narrative **The Oxford Companion to Spirits and Cocktails** Noah Rothbaum,2021-10-14 The Oxford Companion to Spirits and Cocktails presents an in depth exploration of the world of spirits and cocktails in a ground breaking synthesis The Companion covers drinks processes and techniques around the world as well as those in the US and Europe It provides clear explanations of the different ways that spirits are produced including fermentation distillation and ageing alongside a wealth of new detail on the emergence of cocktails and cocktail bars including entries on key cocktails and influential mixologists and cocktail bars **Bourbon Empire** Reid Mitenbuler,2016-05-10 Pulls aside the curtain of puffery to show the business of liquor to be every bit as fascinating as the
