Elemental Encounters in the Contemporary Irish Novel Claire McGrail Johnston, 2019-12-19 The underlying premise of this book is that reading is touching Words leap out of their beds and pierce flesh like a knife Storytelling breathes within the dynamic of encounters with air fire earth and water permeated by emotion imagination and touch These ideas are contextualized within ancient community rituals social justice gatherings pedagogical practices and map making The four elements are retrieved from exile as imaginative corporeal and generative substances that operate within stories like medicine bundles Reading becomes a Deleuzian enterprise of health a challenging experience that grasps Paulo Freire's generative themes and is simultaneously thought provoking and valuable The capacious literary space capable of housing this sensual ferment is the novel More verb than noun the novel is an elemental bundle that engages with flesh in all its manifestations This book spotlights Irish novels by John Banville and Mary Morrissy exploring how they revitalise the elements with sensual social and tactile textures

*The Algebraist* Iain M. Banks, 2024-04-02 As complex turbulent and spectacular as the gas giant on which it is set this novel from Iain M Banks is space opera on a truly epic scale An enormously enjoyable book full of wonderful aliens a sense of wonder and subtle political commentary on current events Publishers Weekly Starred Review It is 4034 AD Humanity has made it to the stars Fasson Taak a Slow Seer at the Court of the Nasqueron Dwellers will be fortunate if he makes it to the end of the year The Nasqueron Dwellers inhabit a gas giant on the outskirts of the galaxy in a system awaiting its wormhole connection to the rest of civilization In the meantime they are dismissed as decadents living in a state of highly developed barbarism hoarding data without order hunting their own young and fighting pointless formal wars Seconded to a military religious order he's barely heard of part of the baroque hierarchy of the Mercatoria the latest galactic hegemony Fasson Taak has to travel again amongst the Dwellers He is in search of a secret hidden for half a billion years But with each day that passes a war draws closer a war that threatens to overwhelm everything and everyone he's ever known Banks is a phenomenon writing pure science fiction of a peculiarly gnarly energy and elegance William Gibson Banks writes with a sophistication that will surprise anyone unfamiliar with modern science fiction The New York Times For More from Iain M Banks check out The Culture series Consider Phlebas The Player of Games Use of Weapons The State of the Art Excession Inversions Look to Windward Matter Surface Detail The Hydrogen Sonata

*Surface Detail* Iain M. Banks, 2010-10-28 Surface Detail is among Iain M Banks Culture novels a breathtaking achievement from a writer whose body of work is without parallel in the modern history of science fiction It begins in the realm of the Real where matter still matters It begins with a murder And it will not end until the Culture has gone to war with death itself Ledejé Ybreg is one of the Intagliated her marked body bearing witness to a family shame her life belonging to a man whose lust for power is without limit Prepared to risk everything for her freedom her release when it comes is at a price and to put things right she will need the help of the Culture Benevolent enlightened and almost infinitely resourceful

though it may be the Culture can only do so much for any individual With the assistance of one of its most powerful and arguably deranged warships Lededje finds herself heading into a combat zone not even sure which side the Culture is really on A war brutal far reaching is already raging within the digital realms that store the souls of the dead and it s about to erupt into reality It started in the realm of the Real and that is where it will end It will touch countless lives and affect entire civilizations but at the center of it all is a young woman whose need for revenge masks another motive altogether The Culture Series Consider Phlebas The Player of Games Use of Weapons The State of the Art Excession Inversions Look to Windward Matter Surface Detail The Hydrogen Sonata *Shipwrecks of the Outer Banks* James D. Charlet,2020-02-15 More than 6 000 ships have met their doom in the waters along the North Carolina coast weaving a rich history of tragedy drama and heroics along these picturesque beaches Men have lost their lives and fortunes and heroes have been made where the combination of mixing currents treacherous coastline and shifting underwater sandbars spells disaster for even the most seasoned sailor These are the stories of daring rescues tragic failures enduring mysteries buried treasure and fascinating legends **Consider Phlebas** Iain M. Banks,2008-09-04 Consider Phlebas is a space opera of stunning power and awesome imagination from a modern master of science fiction The war raged across the galaxy Billions had died billions more were doomed Moons planets the very stars themselves faced destruction cold blooded brutal and worse random The Idirans fought for their Faith the Culture for its moral right to exist Principles were at stake There could be no surrender Within the cosmic conflict an individual crusade Deep within a fabled labyrinth on a barren world a Planet of the Dead proscribed to mortals lay a fugitive Mind Both the Culture and the Idirans sought it It was the fate of Horza the Changer and his motley crew of unpredictable mercenaries human and machine to actually find it and with it their own destruction Praise for the Culture series Epic in scope ambitious in its ideas and absorbing in its execution Independent on Sunday Banks has created one of the most enduring and endearing visions of the future Guardian Jam packed with extraordinary invention Scotsman Compulsive reading Sunday Telegraph The Culture series Consider Phlebas The Player of Games Use of Weapons The State of the Art Excession Inversions Look to Windward Matter Surface Detail The Hydrogen Sonata Other books by Iain M Banks Against a Dark Background Feersum Endjinn The Algebraist **The Unknown City** Iain Borden,2002 A look beyond design process and buildings aimed at discovering new ways of looking at the urban experience **The Scottish Sportsman and Tourist: a Complete Guide to Scotland ... With Map and ... Plates** Robert Hall (Author of The Highland Sportsman.),1887 [Townships to Farmsteads](#) John Andrew Atkinson,Iain Banks,Gavin MacGregor,2000 Based on a conference held in Glasgow in 1997 on Medieval or Later Rural Settlement the 27 papers in this volume approach the subject from an inter disciplinary perspective including historical research social history theory environmental sciences and the study of past communities Packed full of information archaeological and historical data and with an impressive line up of contributors these studies address a clear need for integration and exchange of ideas across Britain **The Presbyterian**

**Casket** ,1852      **Australian Explorers by Sea, Land, and Air, 1788-1988** Ian Francis McLaren,1990      *The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney ... rev. & enl. under the superintendence of Benjamin E. Smith* ,1911      Italy Karl Baedeker (Firm),1893      **Italy ... Second Part: Central Italy and Rome, Etc** Karl Baedeker,1893      **Italy** ,1893      The Politics of Provisions John Bohstedt,2016-02-24  
 The elemental power of food politics has not been fully appraised Food marketing and consumption were matters of politics as much as economics as England became a market society In times of dearth concatenations of food riots repression and relief created a maturing politics of provisions Over three centuries some eight hundred riots crackled in waves across England Crowds seized wagons attacked mills and granaries and lowered prices in marketplaces or farmyards Sometimes rioters parleyed with magistrates More often both acted out a well rehearsed political minuet that evolved from Tudor risings and state policies down to a complex culmination during the Napoleonic Wars Provision politics thus comprised both customary negotiations over scarcity and hunger and negotiations of the social vessel through the turbulence of dearth Occasionally troops killed rioters or judges condemned them to the gallows but increasingly riots prompted wealthy citizens to procure relief supplies In short food riots worked in a sense they were a first draft of the welfare state This pioneering analysis connects a generation of social protest studies spawned by E P Thompson s essay on the moral economy with new work on economic history and state formation The dynamics of provision politics that emerged during England s social economic and political transformations should furnish fruitful models for analyses of total war and famine as well as broader transitions elsewhere in world history      The Pacific Reporter ,1916      **The Commercial & Financial Chronicle ...** ,1900  
*The Century Dictionary* ,1889      **The Christian Union** Henry Ward Beecher,1884      **The Spectator** ,1857 A weekly review of politics literature theology and art
