Martin, MA,2019-10-14 Myth Masculinity Me By David M Martin In today s gender revolution we often hear people identifying as more or less masculine or more or less feminine But do we really know what masculinity is Is it a concrete and definable category or something that is more ambiguous and mutable In this book the author takes the reader along with him on his personal journey exploring his relationship with and growing understanding of masculinity Along the way the reader will hear about both healthy and unhealthy or toxic masculinity The way is perilous and strewn with personal landmines and pathogenic beliefs inherited from culture family and institutions This book utilizes an archetypal and mytho poetic framework

Readings of Goddess Spirituality Anway Mukhopadhyay,2016-12-14 This volume explores the potentials of Goddess spirituality in the field of cultural critique and strings together innovative readings of already existing literary texts and cultural phenomena from the critical perspective of Goddess spirituality The chapters explore a colourful array of texts and authors and focus on issues as diverse as the persistence of the figure of the Magna Mater in the life writing and thought of Swami Vivekananda and Sri Aurobindo the inability of Advaita Vedanta to come out of the shadow of the Great Mother the possibility of pluralizing the Eurocentric notion of the Muse by invoking the figure of Goddess Sarasvati in the field of English Studies and a reappraisal of Kipling s Kim from the perspective of the philosophical and spiritual discourses of Prajnaparamita the Buddhist Goddess of Perfect Wisdom The book also offers a comparative study of Minoan Goddess Spirituality and tantric philosophy with reference to Aphrodite Diotima and the Indian Mother Goddesses the possibility of

simultaneously tantricizing notions of modernity and modernizing tantra itself with reference to the works of Lata Mani and William Schindler and an investigation of the Mother centric spiritual sensibilities in various religious discourses and devotional literatures among other discussions In short this book investigates the possibilities of inserting the figure of the Great Mother into the critical domain of cultural pluralism thereby celebrating a multiculturalism that is not based on violence and conflict antagonism but grounded in harmony The Mother is seen by the discourse articulated here mainly as a middle ground between flesh and spirit knowledge and passion justice and compassion and in the red shadow of the Mother social epistemologies and academic discourses are radically renegotiated **Spiritual Care Basics and Beyond** Joel

and the Brain Andrew Newberg,2024-08-06 For the modern world it seems as if sexuality and spirituality have always been at odds But what if the two are actually deeply connected And what if science could prove this connection From neuroscientist Andrew Newberg *Sex God and the Brain* argues that our religious and spiritual experiences derive directly from our sexual being While others have speculated on a connection between religion and sex Newberg is the first to demonstrate with groundbreaking brain scan research gained through Orgasmic Meditation studies that the underlying biological mechanism of religious spiritual and sexual experiences are identical With research technical enough for academics but explained simply enough for the everyday reader *Sex God and the Brain* will reframe our understanding of the link between spirituality and sexuality *The Book of Life* Michael Sharp,2004 Sharp presents the deep spiritual truths of creation and of this planet in anaccessible direct and no nonsense format *Activating the Holy Spirit* Amanda Williams,2023-01-06 *Activating the Holy Spirit* is a book that will awaken you to the presence of the Lord in your life this book will carry you through a ten day transformation process that allows and opens the door for the spirit to be turned on and how to use the spirit to guide you even in the darkest moments of life The book informs the reader of daily call to action steps to take allowing the reader to invite the Lord into your day and to walk with you through the storm I hope that this book will uplift and enhance the faith

Jung and Spirituality David Tacey,2025-03-25 An exploration of spirituality in the modern world using Carl Jung's insights Jung believed that a spiritual life lies buried in everyone's unconscious and could be brought before consciousness with therapeutic results and that rationality and hubris prevented many in the modern world from acknowledging the spiritual aspects of our lives and repressing the spiritual was as harmful as repressing the sexual This book contains a series of chapters which explore the applications and ramifications of Jung's psychospiritual theory Starting with how to bring back spirituality into religion it then looks at the activation of earth energies and the primordial mind by bringing the spirit back into nature It proceeds to examine the spiritual journey dreams the individuation of god and the healing power of spirituality

The Alchemy of Freedom A. H. Almaas,2017-03-28 Well known spiritual teacher A H Almaas uses the metaphor of the mysterious philosopher's stone to discuss a tremendous liberating power that leads to endless enlightenment For millennia alchemists sought the philosopher's stone the miracle substance believed to be the key to all the secrets of existence The quest was fueled by some of the prime questions of human existence What am I Why am I here How has this world come to be A H Almaas shows that the tremendous liberating power of the mysterious philosopher's stone is closer to us than we realize In fact it is the true nature of all reality in all times and all places without being limited to being anything in particular Through the philosopher's stone real transformation can happen our consciousness can become free and we can open to all the possibilities of reality Almaas discusses the factors that are involved in igniting the catalytic property of the philosopher's stone and then begins to unpack the properties of true nature when it is free of constraints Finally we are left with the revelation that true nature is endlessly knowable and yet nothing we can know or say about it exhausts its mystery and power

The result is a new understanding of what liberation and practice are and a view of what it is like when seeking ceases and life becomes a process of continual discovery We begin to appreciate that the freedom of reality expressed in the complete and fulfilled life all human beings seek and few find is actually the simplicity of the ordinary A-C-T-S Wendy Bowen,2015-03-15 In the Book of Acts in the Bible the epic and supernatural experiences of God's love power and guidance are powerful and tangible This ACTS study of the Book of Acts is designed to equip and empower followers of Jesus today to become like the first disciples and to do the things that they did in that world changing book ACTS begins with a review of the Gospel and the resurrection of Jesus as His first followers would have understood them and then moves through the historical accounts of the Book of Acts Topic by topic it reveals the dynamics of the life of the early church on and after the day of Pentecost when the Holy Spirit was poured out with power from Heaven This study is written to the common believer in language that is easy to understand and apply to life today so that every follower of Jesus can enter into deep fellowship with the Holy Spirit and other believers endure victoriously through the trials of life and opposition to the faith and know our power and authority to work miracles signs and wonders in the name of Jesus If your heart burns to experience the Book of Acts then ACTS is the study for you and your church **Myopic Me! Freedom from Religion** John D Lane Jr,2023-07-12 When nine of us prayed at Holden Beach we thanked God though we had been the victims of the Shepherding Religion But Jesus's proactive trip into the Wilderness had confronted an estimated forty two hundred religions according to current estimates Jesus's bedrock actions combined with His confrontation of Legion spelled the doom for religion's strongholds Post Holden Beach my wife's dream revealed that T Jacks come to snap at the ankles of every irreligious person who nevertheless has formulated their own religion They we become ensnared in the sweaty religion of Myopic Me Paul says that Myopic Me perfectly describes the crooked generation's love of self and money contemptuous of Law acting with cruelty disobedient to parents boastful and loving pleasure while scoffing at God Paul tells us that religion comes to everyone who demotes Christ's finished work Thus my five books address these battlefields for the soul of man Captured by the Faith Time Continuum Jerusalem with Solomon Einstein Made in the Bipolar Image of God Dividing Wall of Hostility Freedom from Religion
