A Handbook for Catholic Preaching Edward Foley, 2016 While admitting particular parameters and priorities for Roman Catholic preachers this volume was intentionally envisioned as a handbook for catholic preaching in the broadest and most universal sense of that term Cosponsored by the Catholic Academy of Liturgy the Catholic Association of Teachers of Homiletics and the Federation of Diocesan Liturgical Commissions it covers the role of the Scriptures in preaching the challenges of preaching in a digital age sermonizing in an interfaith context and the need for a liberative and prophetic word that cuts across denominations and even faith traditions Intended to aid those who teach or direct the preaching arts the design and writing style of this book are particularly calibrated to graduate students in ministerial studies Every article is a self contained overview of a particular historical period genre of preaching homiletic theory or contemporary issue This more encyclopedic approach devoid of footnotes yet supported by pertinent bibliography and an extensive index provides a sufficiently rich yet thoroughly accessible gateway to major facets of the preaching arts at this stage of the twenty first century General Editor Edward Foley Associate Editors Catherine Vincie Richard N Fragomeni Contributors Herbert Anderson John F Baldovin Alden Lee Bass Dianne Bergant Stephen Bevans Robert Bireley John Carr Anthony Collamati Michael E Connors Gueric DeBona Frank DeSiano William T Ditewig Con Foley Edward Foley Richard N Fragomeni Ann M Garrido Gregory Heille Lucy Lind Hogan Patrick R Lagges David J Lose Barbara K Lundblad Ricky Manalo Robert F Morneau Carolyn Muessig vanThanh Nguyen Mary Margaret Pazdan Patricia Parachini Jorge Presmanes Craig Alan Satterlee Catherine Vincie Richard Vosko James A Wallace Margaret Moers Wenig Alex Zenthoefer

How to Share Your Faith with Anyone Terry Barber, 2013-10-09 Recent popes have challenged all Catholics to participate in the New Evangelization. But most Catholics feel ill equipped to take up the challenge. Terry Barber, founder of St Joseph Communications, has written a practical guide that takes much of the pain and uncertainty out of sharing one's faith. Based on Barber's decades of personal experience as an effective evangelist and masterful communicator, and drawing on the perceptions, examples and lessons of other great evangelists and apologists, *How to Share Your Faith with Anyone* informs, entertains and inspires, would be as well as seasoned evangelists and teachers. Barber uses clear examples and insightful stories to explain such topics as: What evangelization is; Why Catholics often don't evangelize; Preparing to be an evangelist; The eight laws of effectively sharing the faith with anyone; Jesus, the perfect Evangelizer; The heart of evangelization; How to share your personal testimony. Barber explains how to bring people to Christ and to his Church without compromise or conflict. This is a superb, easy to follow, playbook for the New Evangelization.

The Routledge Handbook of Pentecostal Theology Wolfgang Vondey, 2020-03-31 Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements. Yet there exists very little understanding of Pentecostal theology and it is not uncommon to encounter stereotypes and misperceptions. Addressing this gap in current research, *The Routledge Handbook of Pentecostal Theology* is an exceptional reference source to the key topics, challenges and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject. Comprising over forty chapters written by a team of international contributors, the Handbook is divided into five parts: Contextualizing Pentecostal Theology; Sources; Theological Method; Doctrines and Practices; Conversations and Challenges. These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith. Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism, divine healing or eschatology, unique practices such as spiritual warfare and worship, and less discussed issues such as social justice and gender, each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement. *The Routledge Handbook of Pentecostal Theology* is essential reading for students and researchers in Pentecostal Studies, World Christianity and Theology, as well as scholars working in contemporary Religious Studies.
