Sports In American History:

Sports in American History Gerald R. Gems, Linda J. Borish, Gertrud Pfister, 2017-04-10 Sports in American History From Colonization to Globalization Second Edition journeys from the early American past to the present to give students a compelling grasp of the evolution of American sporting practices This text provides students with insights into new and alternative perspectives examines sport as a social and cultural phenomenon generates a better understanding of current sport practices and considers future developments in American sport The second edition includes the following enhancements The final chapter highlights sport in the twenty first century and gives students an updated view of contemporary sport Content about the progressive era now makes up two chapters and provides students with a clearer understanding of this instrumental period New People and Places and International Perspectives sidebars introduce key figures in sport history and provide students with a global understanding of sport Time lines with major sport and societal events and milestones provide context in each chapter More than 150 images provide historical authenticity and relate people and events to the accompanying text Chapter objectives and discussion questions help students absorb and apply relevant content An ancillary suite helps instructors prepare for class with an instructor guide test package and presentation package This comprehensive resource delivers coverage of sport by historical periods from the indigenous tribes of premodern America through colonial societies to the era of sport in the United States today Sports in American History Second Edition examines how women minorities and ethnic and religious groups have influenced U S sporting culture This gives students a broader knowledge of the complexities of sport health and play in the American experience and how historical factors such as gender ethnicity race and religion provide a more complete understanding of sports in American history The easy to follow material is divided into 11 chronological chapters starting with sporting practices in colonial America and ending with globalized sport today making it ideal for a semester long course The second edition maintains dedication to providing authentic primary documents including newspapers illustrations photographs historical writings quotations and posters to bring the time periods to life for students An extensive bibliography features primary and secondary sources in American sport history Sports in American History Second Edition is unique in its level of detail broad time frame and focus on sports and the evolving definitions of physical activity and games In addition excerpts from primary documents provide firsthand accounts that will not only inform and fascinate readers but also provide a well rounded perspective on the historical development of American sport With sidebars offering an international viewpoint this book will help students understand how historical events have shaped sport differently in the United States than in other parts of the world

Sports in American History Gerald R. Gems, Linda J. Borish, Gertrud Pfister, 2022-04-19 Sports in American History From Colonization to Globalization Third Edition journeys from the early American past to the present to help students grasp the compelling evolution of American sporting practices *Sports in American History, 2E* Gems,

Gerald, Borish, Linda, Pfister, Gertrud, 2017-02-27 Sports in American History From Colonization to Globalization Second Edition journeys from the early American past to the present to give students a compelling grasp of the evolution of American sporting practices **A Brief History of American Sports** Elliott J. Gorn, Warren Goldstein, 2004 Elliott J Gorn and Warren Goldstein show us where our games and pastimes came from how they developed and what they have meant to Americans The great heroes of baseball and football are here as well as the dramatic moments of boxing and basketball Beyond this the authors show us how sports fit into the larger contours of our past A Brief History of American Sports reveals that from colonial times to the present sports have been central to American culture and a profound expression of who we are

Sports in American Life Richard O. Davies, 2016-05-23 The third edition of author Richard O Davies highly praised narrative of American sports Sports in American Life A History features extensive revisions and updates to its presentation of an interpretative history of the relationship of sports to the larger themes of U S history Updated include a new section on concussions caused by contact sports and new biographies of John Wooden and Joe Paterno Features extensive revisions and updates along with a leaner faster paced narrative than previous editions Addresses the social economic and cultural interaction between sports and gender race class and other larger issues Provides expanded coverage of college sports women in sports race and racism in organized sports and soccer's sharp rise in popularity Features an all new section that tackles the growing controversy of head injuries and concussions caused by contact sports American History through American Sports Bob Batchelor, Danielle Sarver Coombs, 2012-12-18 Filled with insightful analysis and compelling arguments this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect This collection blends historical and popular culture perspectives in its analysis of the development of sports and sports figures throughout American history American History through American Sports From Colonial Lacrosse to Extreme Sports is unique in that it focuses on how each sport has transformed and influenced society at large demonstrating how sports and popular culture are intrinsically entwined and the ways they both reflect larger societal transformations The essays in the book are wide ranging covering topics of interest for sports fans who enjoy the NFL and NASCAR as well as those who like tennis and watching the Olympics Many topics feature information about specific sports icons and favorite heroes Additionally many of the topics treatments prompt engagement by purposely challenging the reader to either agree or disagree with the author's analysis **A Companion to American Sport History** Steven A. Riess, 2014-03-26 A Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history Presents the first complete analysis of the scholarship relating to the academic history of American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day including major sports such as baseball football basketball boxing golf motor racing tennis and track and

field Addresses the relationship of sports to urbanization technology gender race social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH **American History Through American Sports** , The Games They Played Douglas A. Noverr,1983 *Ethnicity and Sport in North American History and Culture* George Eisen,David K. Wiggins,1995-10-30 The editors use the unique lens of the history of sports to examine ethnic experiences in North America since 1840 Comprised of 12 original essays and an Introduction it chronicles sport as a social institution through which various ethnic and racial groups attempted to find the way to social and psychological acceptance and cultural integration Included are chapters on Native Americans Irish Americans German Americans Canadians African Americans Italian Americans Hispanics and several more showing how their sports participation also provided these communities with some measure of social mobility self esteem and a shared pride The Routledge History of American Sport Linda J. Borish,David K. Wiggins,Gerald R. Gems,2016-10-04 The Routledge History of American Sport provides the first comprehensive overview of historical research in American sport from the early Colonial period to the present day Considering sport through innovative themes and topics such as the business of sport material culture and sport the political uses of sport and gender and sport this text offers an interdisciplinary analysis of American leisure Rather than moving chronologically through American history or considering the historical origins of each sport these topics are dealt with organically within thematic chapters emphasizing the influence of sport on American society The volume is divided into eight thematic sections that include detailed original essays on particular facets of each theme Focusing on how sport has influenced the history of women minorities politics the media and culture these thematic chapters survey the major areas of debate and discussion The volume offers a comprehensive view of the history of sport in America pushing the field to consider new themes and approaches as well Including a roster of contributors renowned in their fields of expertise this ground breaking collection is essential reading for all those interested in the history of American sport **American History Through American Sports: Sports in a digital age** ,2013 **American History Through American Sports: Sports at the center of popular culture: the television age** ,2013 *The Routledge History of American Sport* Linda J. Borish,2017 The Routledge History of American Sport provides the first comprehensive overview of historical research in American sport from the early Colonial period to the present day **American National Pastimes - A History** Mark Dyreson,Jaime Schultz,2016-04-14 When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland From the war of independence and the creation of the republic to the twenty first century sporting pastimes have served as essential ingredients in forging nationhood in American history This collection gathers the work of an all star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes of a nation symbolized by its sports These wide ranging essays analyze the claims of particular sports to national pastime status from horse racing hunting

and prize fighting in early American history to baseball basketball and football more than two centuries later These essays also investigate the legal political economic and culture patterns and the gender ethnic racial and class dynamics of national pastimes connecting sport to broader historical themes American National Pastimes chronicles how and why the USA has used sport to define and debate the contours of nation This book was published as a special issue of the International Journal of the History of Sport *Ethnicity and Sport in North American History and Culture* George Eisen,David K.

Wiggins,1994-08-23 The editors use the unique lens of the history of sports to examine ethnic experiences in North America since 1840 Comprised of 12 original essays and an Introduction it chronicles sport as a social institution through which various ethnic and racial groups attempted to find the way to social and psychological acceptance and cultural integration Included are chapters on Native Americans Irish Americans German Americans Canadians African Americans Italian Americans Hispanics and several more showing how their sports participation also provided these communities with some measure of social mobility self esteem and a shared pride *American Sport in International History* Daniel M.

DuBois,2023-01-12 This book explores how American sports especially basketball baseball and American football have projected the US into the world and brought the world into America Taking a chronological approach it traces the development of American sports from the turn of the 20th century highlighting how international forces such as immigration geopolitics and war have influenced the trajectory of sport in the US and thus the American experience DuBois also considers the globalization of American sport and how this soft power shaped international relations throughout the American century Addressing key questions about the role of sport in the rise of the United States it frames themes that have come to define sports history gender race economics and politics It argues that while sport has not necessarily been a catalyst for change it has often mirrored social issues and sometimes served as an important tool of progress Synthesizing major works alongside primary sources the chapters study boxing hockey track and field and soccer alongside the big three basketball baseball and American football through a number of case studies to offer a novel interpretation of American sport history Spanning early Native American sport the export of baseball in the American empire the role of basketball in the Cold War the influence of immigrants and women in sports and modern day sport culture American Sport in International History asks what the role of sport has been and will be in a shifting international environment *The 100 Most Important Sporting Events in American History* Lew Freedman,2016 This book ranks 100 of the greatest moments in sports reflecting on the dramatic impact of the events as well as their greater influence on American society of the time The work showcases the social historical and cultural background of memorable games teams and athletes highlighting the enduring value and importance of each selection **Powerful Moments in Sports** Martin Gitlin,2017-04-06 Jesse Owens wins four gold medals at the 1936 Olympics Billie Jean King takes on Bobby Riggs in the Battle of the Sexes Title IX is passed Some moments in sports whether they take place on a track on a tennis court or in a courtroom transcend the event itself Some have helped America live out

its creed that all men are created equal Others have pushed the nation toward gender equality Others have changed individual sports to such a degree that they have transformed society Powerful Moments in Sports The Most Significant Sporting Events in American History encompasses more than a single player team or game This book looks at how a particular event revolutionized a sport how a contest of speed inspired a nation or even how a humble victory affected the world Martin Gitlin considers such impactful moments as Jackie Robinson s integration of Major League Baseball Gertrude Ederle becoming the first female to swim the English Channel and shattering the times of five men who had accomplished the feat before her and the underdog US hockey team defeating the Soviets at the 1980 Olympics The twenty events featured in this book had profound social political and cultural importance and inspired athletes and spectators alike Spanning multiple decades Powerful Moments in Sports reveals the tremendous impact athletes have had on America and the world over the years Covering football baseball hockey basketball track and field boxing and more this book will fascinate and enlighten sports fans historians and those interested in the impact of athletic endeavors on culture and society

Major Problems in American Sport History Steven A. Riess,1997 Each topic in this text is covered by both secondary readings and a wide variety of primary source documents including legal decisions diary entries newspaper reports literary accounts government hearings and advertisements for athletic equipment
