Splattered On The Road To Wealth English Edition:

The Final President D. Elliot Pike, 2016-05-10 The Final President is a political satire set in the not too distant future U S President Boyd Lamm burdened with numerous unresolved national issues and opposed by a former backer who owns the Atlantic Ocean seeks to set America on the road to progress via the most ambitious public works project in human history the Trans National Canal TNC the project that will unite America by cutting it in two The TNC succeeds in inspiring but its disastrous execution much of Los Angeles is destroyed at the hands of his ne'er do well son and a uniquely bizarre EPA head founder of the Organization for the Prevention of Cruelty to Inanimate Objects forces the president to pursue an unimaginable means to achieve the desired end the United States will transition from a democracy back to a monarchy Lamm's secret role model is England's King Edward I the infamous and ruthless 13th century leader who bore the nickname the Hammer of the Scots King Boyd I America's final president aided by Count Bzdak a Belgian royal and long time friend leads the nation on a still more egregious path including public executions broadcast by Fox News that displays all the worst characteristics of centralized power Peppered with outrageous events at all stages including the televised burning of the Constitution construction of the White House moat the permanent freezing of Chesapeake Bay and the remarkable ascendance of Malibu Greenberg the world's worst stand up comedian The Final President concludes with an unexpected and hilarious transition of power

Down the Shore Stan Parish, 2014-05-29 A GQ Best Book of the Month A New York Post Must Read Book A Flavorwire Book of the Week A New York Daily News Can't Put Down Novel Parish has got chops and a feel for dialogue and is a talent in the making Bill Buford The Wall Street Journal Read this book in a beach chair A worldly and propulsive debut GQ An exhilarating novel of reinvention friendship and ambition from the Jersey Shore to St Andrews in Scotland Tom Alison has it all within his reach He's smart handsome and about to graduate from a prestigious East Coast boarding school After that it's off to the Ivy League and then a job on Wall Street alongside the power brokers he's been watching from a distance as the working class son of a single mom And then the very life his mother worked so hard to escape catches up with him when he gets busted selling drugs Lucky for Tom there are places for boys and girls with ruined reputations First he returns to his roots on the Jersey Shore reconnecting with a hard living crew and cementing a bond with his new friend Clare Savage the son of a recently disgraced financier The two boys spend their summer surfing and partying When fall arrives they head to St Andrews University in Scotland a haven for Americans in need of a second chance and a favorite of the British ruling class Tom and Clare escape to Scotland together but it's Tom who discovers a world shaped by even more powerful forces of greed and ambition than the one he left behind Sucked into a maelstrom of sex drugs and status Tom learns what it takes to break the rules and how we can be broken by them Driven by a cast of young men and women living in an age of riotous prosperity Down the Shore is an unflinching and unforgettable story of youth steeped in excess Stan Parish has crafted a gripping novel that masterfully captures the lives of fallen financiers and the people they

bring down with them and reminds us that not even an ocean can separate us from our family our friends or our past

Unsettling Absences Eric C. Thompson, 2007 In *Unsettling Absences* Eric Thompson argues that urbanism is a cultural force unbound from the city and is a pervasive presence in the Malaysian countryside Transported to rural communities urbanism has motivated migration transformed the social lives of rural inhabitants and created a deep ambivalence about personal identity This has left rural Malays feeling out of place in both the city and the village Kuala Lumpur epitomises modernity but rural Malays who move there are often marginalised in squatter settlements on its periphery The kampung symbolises home and the locus of Malay identity but schoolbooks and television have projected urbanism that marks rural life as backwards and marginal in a forward looking nation into the kampung The book challenges city bound urban studies by locating urbanism in a wider world that extends outside of the city and shows the conflicted realities of rural dwellers in an overwhelmingly urban world As others have challenged the meaning of modernity Thompson challenges the meaning of urban while still recognising the powerful effects of an ideology of urbanism *Unsettling Absences* is a call to take seriously place based identities and cultural geographies in a world where the urban rural divide is dissolving in practice but in cultural terms remains as powerful as ever London Like a Local Florence Derrick, Marlene Landu, Olivia Pass, 2023-03-28

Kaeuper,2016-05-19 Richard Kaeuper presents a new analysis of chivalry re interpreting it as a fundamental aspect of medieval society *The Rebel Scribe* Christopher Neal,2022-01-27 Carleton Beals was among America s most distinctive foreign correspondents His colorful combatively critical reporting of U S intervention in Latin America had a fearless energy and authority that won him millions of readers He interviewed the Nicaraguan rebel leader Sandino in the camp from which he fought thousands of U S marines in 1928 covered two revolutions in Cuba 1933 and 1959 and interpreted the Mexican Revolution for American readers Beals s dispatches and features appeared regularly in the Nation New Republic Current History and the Progressive and often in the New York Times Time magazine called him the best informed and the most awkward living writer on Latin America Forty books including chronicles political analysis and novels drawn mostly from his travels and wide ranging contacts in what he called America South made that characterization apt But Beals was also an eyewitness reporter on Mussolini s rise in Italy He wrote on U S topics too such as Louisiana s Huey Long and the environmental damage and rural migration in the 1930s caused by emerging agri business in

America's South and West Many of his books were best sellers their evidence based assessments earning at least grudging respect even among those who took issue with his indictments of U S economic and government elites At once biography and analytical history The Rebel Scribe tells the story of a fiercely independent non conformist It probes Beals's interactions with political leaders democrats demagogues populists and revolutionaries and reveals how his ability to immerse himself in their societies gave his accounts a palpable authenticity and time has shown a prescience that is almost prophetic Christopher Neal's layered narrative traces how Beals identified patterns of political behavior and concepts that later became fully fledged schools of thought such as the idea of a Third World dependency theory U S neo imperialism and aspects of critical theory His story sheds light on the evolution of U S foreign policy and intervention from Mexico and Nicaragua in the 1920s to Cuba and Vietnam in the 1960s It reveals the fraught trail that faced and still faces contrarian journalists who challenge conventional assumptions while also showing how probing journalism drives change Siobhan Dunmoore Eric Thomson, 2021-06-29 Now for the first time the three books that started a legend are together in a single edition Book 1 No Honor in Death Siobhan Dunmoore isn't having a good war She's had more ships shot out from under her by the invading Shrehari Empire than any other officer in the Fleet Some call her overly aggressive Others simply call her reckless What the enemy calls her is something else altogether That she gave the Shrehari a good drubbing along the way doesn't matter in the least because not all her enemies wear an Imperial uniform A reputation for bad luck is pretty much all she has left After another near defeat she wants nothing more than a long rest because this time she escaped by the thinnest of bluffs Unfortunately the Admiralty has other ideas The frigate Stingray is known as the unluckiest ship in the Fleet one whose Captain was removed in disgrace for cowardice Some in the Admiralty want to retire the old warhorse After all she is the last of her type left in service and perhaps it's time to break up the jinx permanently along with the crew But during an interstellar war every ship that could fight is needed In short order Dunmoore goes from staring down the Empire's finest on the bridge of a wrecked battleship to taking on a demoralized semi mutinous crew scheming admirals and a deadly mystery Stingray's bad luck isn't just superstition gone rampant Between a crew that won't talk political enemies who want her gone and her personal demons she has her hands full Taking the frigate into battle under those conditions would seem foolish to anyone else but Dunmoore never shrank from a good fight Book 2 The Path of Duty Duty honour loyalty What meaning do those words still hold during an interstellar war where the difference between the enemy and one's own leadership is sometimes paper thin Unfairly relegated to punishment duty far from the battle lines and still pursued by her past Siobhan Dunmoore must sail her ship deep into pirate infested space on a quest to restore the Navy's reputation after failing to stop an attack that destroyed a civilian freighter There she hopes to find clues that might absolve Stingray's crew from blame but instead she's sucked into a vortex of intrigue and treachery that threatens not only all their lives but the future of the embattled Commonwealth Caught in a web of competing schemes for supremacy while fending off marauders mercenaries

and spies Dunmoore must find a way of getting her people home safe and beyond the reach of a powerful cabal at the heart of the Admiralty Book 3 Like Stars in Heaven One last mission One mysterious passenger One baffling destination After centuries of travel an ancient log buoy finally reaches human controlled space Amid a stalemated interstellar war the Admiralty has little interest in wasting resources on what would likely be a fruitless search for the truth but someone convinced them to send an old obsolete frigate soon destined for the scrapyard on this quest Pulled from her patrol route Siobhan Dunmoore is ordered to take an envoy aboard Stingray and sail into a poorly charted and virtually unexplored region of the galaxy hidden behind interstellar dust clouds Along the way she ll encounter an old enemy now also relegated to the fringes of the war turning a voyage of discovery into a race against time and against each other All three books in this Omnibus Edition were previously published as separate titles

Patriot Royal Russ Pottle,2010-06-01 Patriot Royal takes you on a journey to the time of the American Revolution where you will relive the violent miraculous birth of a nation as seen through the eyes of the representative central character Charles Royal who undergoes a personal revolution all his own There are villains here as well as heroes the bold the occasionally bold and the downright cowardly And a few who will make you laugh right out loud You will find love here unrequited and requited Loyalty betrayal and redemption There are formal set piece military engagements involving thousands of soldiers in uniformed pageantry There are bloody skirmishes too and intensely personal battles that are waged within You will be expected to endure all the formidable allies of armed conflict battle wounds illness starvation bitter cold blistering heat loneliness and despair You will meet the enemy come to know him well but you will never learn to hate him Having said all this you may be surprised to learn that this is not a tale of war but of people Some from the living past Others imagined representatives of people whose lives and times beg for telling They are all ready and anxiously waiting to escort you to a different exciting turbulent history making history shaping era Let the journey begin
