Jesus the Jew Ignacio Götz, 2020-03-23 He was born in the spring or early summer of the year 4 or 6 BCE probably in the little town of Bethlehem in the Galilee near Nazareth He became a laborer maybe a stonemason His mother Mary could not get him married because of his suspect paternity but he had a girlfriend Mary of Magdala He had several brothers one of them a twin brother Judas the Twin Thomas and two sisters He was charged by the Romans with sedition At a preliminary hearing when queried by the High Priest whether or not he the laborer in rags was the anointed son of the Blessed One as all kings were he answered Am I He was crucified like two thousand other Jews during the Roman occupation of Palestine He died between 30 and 32 CE His followers revered him as a prophet but he was a marginal Jew who went about doing good Little more than one hundred years later Tertullian the African apologist would write I am saved if I be not ashamed of him
