Sri Lanka Ed:

Sri Lanka Walter Nubin, 2002 This book provides an overview of the development of a small country which on the one hand is unique and on the other hand is also an interesting reflection and microcosm of the global economy Sri Lanka's development is one of the contrasts complicated by social conflicts and ethnic tensions Social political economic and constitutional developments are considered This is in accordance with the Sri Lankan tradition of seeing the world as a connected whole The Democratic Socialist Republic of Sri Lanka formerly known as Ceylon is an island in the Indian Ocean approximately 18 miles off the south eastern coast of India with a population of about 19 million Density is highest in the south west where Colombo the country's main port and industrial centre is located Sri Lanka is ethnically linguistically and religiously diverse Sri Lanka follows a non aligned foreign policy It participates in multilateral diplomacy particularly at the United Nations where it seeks to promote sovereignty independence and development in the developing world *Sri Lanka* Jonathan Spencer, 2002-09-11 In the past decade Sri Lanka has been engulfed by political tragedy as successive governments have failed to settle the grievances of the Tamil minority in a way acceptable to the majority Sinhala population The new Premadasa presidency faces huge economic and political problems with large sections of the island under the control of the Indian Peace Keeping Force IPKF and militant separatist Tamil groups operating in the north and south This book is not a conventional political history of Sri Lanka Instead it attempts to shed fresh light on the historical roots of the ethnic crisis and uses a combination of historical and anthropological evidence to challenge the widely held belief that the conflict in Sri Lanka is simply the continuation of centuries of animosity between the Sinhalese and the Tamils The authors show how modern ethnic identities have been made and re made since the colonial period with the war between Tamils and the Sinhala dominant government accompanied by rhetorical wars over archeological sites and place name etymologies and the political use of the national past The book is also one of the first attempts to focus on local perceptions of the crisis and draws on a broad range of sources from village fieldwork to newspaper controversies Its interest extends beyond contemporary politics to history anthropology and development studies **Enhancing STEM Education and Careers in Sri Lanka** Shalika Subasinghe, Shobhana Sosale, Harsha Aturupane, 2023-06-30 This country report examines how access to and choice on science technology engineering and mathematics STEM affect enrollments in upper secondary technical and vocational education and training TVET and higher education in Sri Lanka The goal is to increase access to and participation in STEM programs and careers **Economy, Culture, and Civil War in Sri Lanka** Deborah Winslow, Michael D. Woost, 2004-09-02 This title is an examination of the everyday economy experiences and livelihoods in the context of Sri Lanka's civil war It argues that the war is grounded not just in the goals and intentions of the opposing sides but also in the everyday orientations experiences and material practices of all Sri Lankan people **English Language Education Policy in Asia** Robert Kirkpatrick, 2015-11-27 This volume offers comprehensive state of the art overviews of educational policies

concerning the teaching of English in a large number of Asian countries Each contribution is written by a leading expert and gives a clear assessment of current policies and future trends Starting with a description of the English education policies in the respective countries the contributors then delve into the nuts and bolts of the English education policies and how they play out in practice in the education system in schools in the curriculum and in teaching Topics covered include the balance between the acquisition of English and the national language political cultural economic and technical factors that strengthen or weaken the learning of English *The Routledge International Handbook of Language Education Policy in Asia* Andy Kirkpatrick, Anthony J. Liddicoat, 2019-04-17 This must have handbook offers a comprehensive survey of the field It reviews the language education policies of Asia encompassing 30 countries sub divided by regions namely East Southeast South and Central Asia and considers the extent to which these are being implemented and with what effect The most recent iteration of language education policies of each of the countries is described and the impact and potential consequence of any change is critically considered Each country chapter provides a historical overview of the languages in use and language education policies examines the ideologies underpinning the language choices and includes an account of the debates and controversies surrounding language and language education policies before concluding with some predictions for the future

Sri Lanka Education Sector Assessment Halil Dundar, Benoit Millot, Michelle Riboud, Mari Shoji, Harsha Aturupane, Sangeeta Goyal, Dhushyanth Raju, 2017-06-16 A country's education system plays a pivotal role in promoting economic growth and shared prosperity Sri Lanka has enjoyed high school attainment and enrollment rates for several decades However it still faces major challenges in the education sector and these challenges undermine the country's inclusive growth goal and its ambition to become a competitive upper middle income country The authors of Sri Lanka Education Sector Assessment Achievements Challenges and Policy Options offer a thorough review of Sri Lanka's education sector from early childhood education through higher education With this book they attempt to answer three questions How is Sri Lanka's education system performing especially with respect to participation rates learning outcomes and labor market outcomes How can the country address the challenges at each stage of the education process taking into account both country and international experience and also best practices Which policy actions should Sri Lanka make a priority for the short and medium term The authors identify the most critical constraints on performance and present strategic priorities and policy options to address them To attain inclusive growth and become globally competitive Sri Lanka needs to embark on integrated reforms across all levels of education These reforms must address both short term skill shortages and long term productivity As Sri Lanka moves up the development ladder the priorities of primary secondary and postsecondary education must be aligned to meet the increasingly complex education and skill requirements Scholarship of Teaching and Learning (SoTL) in Asian Higher Education Kaur, Amrita, Noman, Mohammad, 2024-12-11 The scholarship of teaching and learning SoTL plays a critical role in shaping higher education by enhancing teaching practices and improving student learning

outcomes In Asia SoTL takes on unique significance due to the region's rich diversity in cultural historical and social contexts The integration of traditional values with modern educational approaches highlights the complexity and adaptability of SoTL in addressing global and local educational challenges This evolving practice not only enriches academic research but also fosters innovative methodologies that resonate with the diverse needs of educators and learners across the region
