

Letter To Graduating Senior

Subject- Letter to graduating seniors.

Dear [Mention the name of the recipient],

Wow. You're receiving your diploma! It seems significant, doesn't it? Anticlimactic, too. It is thrilling. Bittersweet, but also. It feels upbeat but has also at times, seemed depressing. You are formally unprecedented and life goes on graduating class.

We rejoice over you. We share your sorrow. With you, we eagerly anticipate the future. We fear for you. We are aware of your absence. Although you might not yet be aware of it, we also know that you have won something priceless.

We want you to know that this year has the potential to be both. Hard and fantastic. Stunning and disappointing. Life is never just one thing, it is a sacred amalgam of the lovely and the tragic. It's the definitive guide to living, and yours just so happened to include a pandemic on a worldwide scale! How will it now assist you?

Given that you were a baby just a short while ago, it's difficult for us to comprehend that you have graduated. Afterward, a kindergartener. And a student in middle school. Likewise, freshmen. You were achieving milestones that were within our reach, such as your first words, steps, friendships, failures, and successes. And all of a sudden, you're stretching farther than we can catch you. We are the spectators watching you perform on the trapeze as you fly through the air.

So, congrats on your graduation! It's been a remarkable year. But this year has been yours. Take it now and fly.
