Whitney Kelting,2009-10-22 Although in Hinduism it is mainly used to refer to widow immolation the term sati means true woman a female hero Whitney Kelting has learned that in Jainism satis appear as subjects of devotional

hymns This seems paradoxical given that Jain spirituality is to disengage oneself from worldly existence and Jain devotionalism is usually directed toward those souls who have reached perfect detachment In fact however there is a vast corpus of popular texts many of them written by prominent scholar monks between the 16th and 18th centuries illustrating the distinctly worldly virtues of devoted Jain wives In this fieldwork based study Kelting explores the ways in which Jain women use sati narratives and rituals to understand wifedom as a choice which these women's ongoing ritual practices continually shape She focuses on eight well known Jain sati narratives recorded in both formal ritual contexts and in informal retellings and also as read aloud from printed versions She finds that one of the principal functions of Jain sati narratives is to contribute to a discourse of wifedom which addresses the concerns of Jain laywomen within the Jain value system and provides a fertile context in which Jain women can explore their questions of virtue and piety

God's Instructions Walk the Talk Ministries,2012-02 It has been noted that anyone who reads and hears everything written in this book may result in changes in their understanding finances health and anyone around them This book was not written so you can read and hear about all the miracles God did for me On the contrary this book was written solely with the purpose of what God can and will do for you The instructions written in this book are not written so you can read and hear about how God answered my prayers needs and wants The instructions written in this book are all about how God can and will answer all of your prayers needs and wants today tomorrow and forever It wasn't until I took the time to read and hear God's instructions to make all of this possible and not impossible In Mat 19:26 God's word says With God all things are possible And my life has never been the same If you are not happy with the way your life is going or something has been missing and you can quite put your finger on it You are closer than you think Your first step is this book in your hands and only you can change all of this right now I can't do it for You If you take the time to read and hear what God has in these instructions for you your life will never be the same I Love you in the Lord always Brother Roland
