Crossley, 2015-09-01 Union Army General William Tecumseh Sherman once said War is hell yet he is viewed by many historians as an advocate for total war Total war is war not only against an enemy army but also includes a civilian population as a military target The idea is to crush morale and support for the war being fought so the enemy army will capitulate thus saving lives Of course such tactics have never met with much success at least that I can see Think about the London blitz or the German assault of Leningrad during the early days of World War Two these actions didn t encourage surrender in fact they stiffened resolve A less known quote from General Sherman reveals how he truly felt about total war I confess without shame that I am sick and tired of fighting its glory is all moonshine even success the most brilliant is over dead and mangled bodies General Sherman understood the impact of total war on people The five stories in this collection are about ordinary people who have suffered during war or who experience small victories magnified by the bloody conflicts they are asked to face head on I hope you enjoy these stories and that they make you think about war and the people who fought them Almost Mine Clifford Ward, 2010-12 Vivid descriptions and interesting events parallel human life throughout time make this book a fascinating story for every Christian Lucifer the fallen angel and cause of all evil is a well known entity

However during the course of Bible study and Biblical history research the author realizes that there was never a lot of time and thought put into Lucifer s life story and the true reason that he fell from grace Since he was the first of all created creatures and intelligent beings called into existence surely he began his life in a state of absolute innocence In the evolution of time the core of his character underwent change in the same manner as do ours from the moment of our birth The difference between our growth years during which many of us fall from grace committing sin and become evil and his time of growth is a matter of parental and friendship influences that are of a fallen nature Lucifer was surrounded by beings loyal to the Creator and the Creator was his teacher Therefore Lucifer had no excuse for his course of action He had never seen any examples of disobedience Hence his rebellion was an invention that materialized from within his own heart He is not only the father of lies but also the inventor of games involving deception and misdirection Like the peoples of this world who spend a great deal of their time playing all types of games to distort good into evil so did Lucifer play a game of deceit Even though the angels were naive and did not know the purpose of Lucifer s games just by innocently participating they turned away from the Lord causing them to lose eternal life Through the course of this reading you will see both the mercy and love of God extended without limitations to his fallen creation You will see the progression of character development one in obedience to the Creator and the other in disobedience that leads to death It is the author s hope that this work will help you develop a deeper relationship with our Redeemer Christ Jesus the Son of God by making you aware of how easy it is to fall from grace

Holy Bible, The American Standard Version, Yahweh Edition Various,2017-04-12 A reprint of the classic American Standard version of the Holy Bible This reprint is more of a reference and study tool rather than a devotional Bible The verses all begin on their own lines to make it easier to reference certain verses and the durable paper the book is printed on makes it easier to make notes right in this Bible without having to markup that beautiful leather edition that you keep As well the edition has replaced all the Jehovah s with what most scholars believe is the name of God in the Old Testament Yahweh
