following year Thus orphaned the child was taken in by John and Frances Allan of Richmond Virginia Although they never formally adopted him Poe was with them well into young adulthood Tension developed later as John Allan and Edgar repeatedly clashed over debts including those incurred by gambling and the cost of secondary education for the young man Poe attended the University of Virginia for one semester but left due to lack of money Poe quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name It was at this time his publishing career began albeit humbly with an anonymous collection of poems Tamerlane and Other Poems 1827 credited only to a Bostonian With the death of Frances Allan in 1829 Poe and Allan reached a temporary rapprochement Later failing as an officer's cadet at West Point and declaring a firm wish to be a poet and writer Poe parted ways with John Allan

Poe, 2017-11-24 UPON my return to the United States a few months ago after the extraordinary series of adventure in the South Seas and elsewhere of which an account is given in the following pages accident threw me into the society of several gentlemen in Richmond Va who felt deep interest in all matters relating to the regions I had visited and who were constantly urging it upon me as a duty to give my narrative to the public I had several reasons however for declining to do so some of which were of a nature altogether private and concern no person but myself others not so much so One consideration which deterred me was that having kept no journal during a greater portion of the time in which I was absent I feared I should not be able to write from mere memory a statement so minute and connected as to have the appearance of that truth it would really possess barring only the natural and unavoidable exaggeration to which all of us are prone when detailing events which have had powerful influence in exciting the imaginative faculties Another reason was that the incidents to be narrated were of a nature so positively marvellous that unsupported as my assertions must necessarily be except by the evidence of a single individual and he a half breed Indian I could only hope for belief among my family and those of my friends who have had reason through life to put faith in my veracity the probability being that the public at large would regard what I should put forth as merely an impudent and ingenious fiction A distrust in my own abilities as a writer was nevertheless one of the principal causes which prevented me from complying with the suggestions of my advisers
