The World Of Colour Yellow Fellowenglish Edition:

The Semantics of Colour C. P. Biggam, 2012-03-29 Human societies name and classify colours in various ways Knowing this is it possible to retrieve colour systems from the past This book presents the basic principles of modern colour semantics including the recognition of basic vocabulary subsets specialised terms and the significance of non colour features Each point is illustrated by case studies drawn from modern and historical languages from around the world These include discussions of Icelandic horses Peruvian guinea pigs medieval roses the colour yellow in Stuart England and Polynesian children s colour terms Major techniques used in colour research are presented and discussed such as the evolutionary sequence Natural Semantic Metalanguage and Vantage Theory The book also addresses whether we can understand the colour systems of the past including prehistory by combining various semantic techniques currently used in both modern and historical colour research with archaeological and environmental information

The White Bonus Tracie McMillan, 2024-04-23 A genre breaking work of journalism and memoir that tallies the cash benefit and cost of racism in America This unflinching book from award winning investigative reporter Tracie McMillan examines what white privilege delivers in dollars and cents not only to white people of wealth but also to white people from the poor to the middle class McMillan begins with her own downwardly mobile middle class family and takes us through a personal history marked with abuse illness and poverty while training her journalistic eye on the benefits she saw from being white McMillan then alternates her story with profiles of four other white subjects millennials to baby boomers from across the United States For readers of Stephanie Land s Maid Heather McGhee s The Sum of Us and Clint Smith s How the Word Is Passed McMillan brings groundbreaking insight into how and to what degree white racial privilege builds material advantage across class time and place Rather than analyzing racism as a thing that gives less to people of color McMillan studies how it gives more to people who are white including with uncommon honesty herself and how it takes so much from so many The unforgettable follow up question thrums steadily through this book Do white Americans believe that racism is worth what it costs all of us

The Color of Life J. Paul Getty Museum, 2008 There has been a persistent tradition of enlivening sculptures with color This book presents five essays on polychromy in classical Greek through contemporary sculpture along with discussions of over 40 extraordinary polychrome sculptures

Tam Lin Pamela Dean, 2006-08-03 In the ancient Scottish ballad Tam Lin headstrong Janet defies Tam Lin to walk in her own land of Carterhaugh and then must battle the Queen of Faery for possession of her lover s body and soul In this version of Tam Lin masterfully crafted by Pamela Dean Janet is a college student Carterhaugh is Carter Hall at the university where her father teaches and Tam Lin is a boy named Thomas Lane Set against the backdrop of the early 1970s imbued with wit poetry romance and magic Tam Lin has become a cult classic and once you begin reading you ll know why This reissue features an updated introduction by the book s original editor the acclaimed Terri Windling
