The Zap Novella English Edition:

How the Ray Gun Got Its Zap Stephen R. Wilk,2013-10-07 A collection of engaging essays that discusses odd and unusual topics in optics *Gender, Race, and American Science Fiction* Jason Haslam,2015-05-08 This book focuses on the interplay of gender race and their representation in American science fiction from the nineteenth century through to the twenty first and across a number of forms including literature and film Haslam explores the reasons why SF provides such a rich medium for both the preservation of and challenges to dominant mythologies of gender and race Defining SF linguistically and culturally the study argues that this mode is not only able to illuminate the cultural and social histories of gender and race but so too can it intervene in those histories and highlight the ruptures present within them The volume moves between material history and the linguistic nature of SF fantasies from the specifics of race and gender at different points in American history to larger analyses of the socio cultural functions of such identity categories SF has already become central to discussions of humanity in the global capitalist age and is increasingly the focus of feminist and critical race studies in combining these earlier approaches this book goes further to demonstrate why SF must become central to our discussions of identity writ large of the possibilities and failings of the human past present and future Focusing on the interplay of whiteness and its various others in relation to competing gender constructs chapters analyze works by Nathaniel Hawthorne Mary E Bradley Lane Edgar Rice Burroughs Philip Francis Nowlan George S Schuyler and the Wachowskis Frank Herbert William Gibson and Octavia Butler Academics and students interested in the study of Science Fiction American literature and culture and Whiteness Studies as well as those engaged in critical gender and race studies will find this volume invaluable **Memories- A Novella** Soumya Mukherjee,2016-09-23 It is said that if you were in Delhi University in the eighties and remember it you weren t there Our hero was very much there and what he remembers has filled a book Follow Boy in this delightfully funny coming of age tale as he outwits homework wrestles with hormones navigates bullies gets high er education learns the vertical expression of horizontal intentions otherwise known as dance barely manages to get employed and finally gets hitched Somewhere along the way he discovers what it means to be a grown up **Science Fiction in Print** Charles N. Brown,William Contento,1986 **The Man Who Couldn't Stop** David Adam,2014-04-10 A Sunday Times Bestseller Have you ever had a strange urge to jump from a tall building or steer your car into oncoming traffic You are not alone In this captivating fusion of science history and personal memoir writer David Adam explores the weird thoughts that exist within every mind and how they drive millions of us towards obsessions and compulsions One of the best and most readable studies of a mental illness to have emerged in recent years an honest and open and yes maybe life changing work Matt Haig Observer Told with fierce clarity humour and urgent lyricism this extraordinary book is both the haunting story of a personal nightmare and a fascinating doorway into the darkest corners of our minds David has suffered from obsessive compulsive disoder OCD for twenty years and The Man Who Couldn t Stop is his unflinchingly honest attempt

to understand the condition and his experiences What might lead an Ethiopian schoolgirl to eat a wall of her house piece by piece or a pair of brothers to die beneath an avalanche of household junk that they had compulsively hoarded At what point does a harmless idea a snowflake in a clear summer sky become a blinding blizzard of unwanted thoughts Drawing on the latest research on the brain as well as historical accounts of patients and their treatments this is a book that will challenge the way you think about what is normal and what is mental illness Innocentia S. Maxeiner,2003-04 A novella and other tales of change that follow real life characters responding to the twists and shoves of other people *Hard Reading* T. A. Shippey,2016 An exploration of politics and the role of the soft sciences in Science Fiction **Almost Midnight** C. C.
