- opinion letters
- letters or emails to editors or magazines or newspapers

Introduce Your Topic (ICN) (ICN) (ICN)

- Tell the reader your topic in the introduction or your text.
- Make your topic clear. This helps the reader understand your opinion.
- Tell your reader why the topic and opinion are important. This helps reader understand why you're writing about the topic. It also helps reader understand why you believe the opinion.
- Make your introduction interesting. This makes the reader want to keep reading.

Choose general topic

There are lots of problems people can work to fix.

Choose interesting topic

Planning in Action
Use a Graphic Organizer to Brainstorm Topics

Your assignment might give you a specific topic. But many assignments give a general topic. Then you must think of a specific topic of your own. You can begin by working with a topic web. You can use a topic web for an opinion text or for other types of writing, including narrative and informative texts.

Start with the general topic or idea in the assignment. Then use a web to come up with ideas. Write every idea that comes to mind. Then look at all your ideas and choose one of the topics and ideas you like best. This is a topic web completed by a student.

Now Try This!

Read the following general topics. Then create a topic web of your own. Write down your best ideas about the topic. Remember to think of your opinion, as you write. Spend five minutes writing your ideas. Then read your ideas. Circle the one you would like to write about.

Topics:
Exercise
Dining alone
Working on a school project

Write an Opinion (ICN) (ICN) (ICN)

Your opinion is your viewpoint about an issue. How do you feel about the issue? What do you think about the issue? This is your opinion.

- Use all of the ideas that you **should** write your opinion.
- ICN: People **should** recycle.
Students **should** be part of community service projects.

- But it's not always necessary to include the word **should** when you express an opinion.
- ICN: Our school is the **best** school in the city.
Spring is my **favorite** season.

It's important to know the difference between a statement of fact and a statement of opinion.

- A statement of fact can be proven true or false.
- ICN: The height of the Empire State Building is 1,250 feet (381 m).

The point of your school is really water pollution.

- A statement of opinion cannot be proven true or false.
- ICN: The Empire State Building is the most beautiful building in New York.

Our school is the greatest school in the city.

Statement of Fact can be proven true or false	Statement of Opinion cannot be proven true or false
The capital of California is Sacramento.	California is the best state in the country.
There are five flowers in the bouquet.	This is the prettiest bouquet ever!
Our teacher has a dog in her classroom.	Our classroom is the best in the school.
There is a soccer field on our playground.	Soccer is the hardest sport to play.

What should you do after you write the opinion for your text?
Check the statement you have written. Can the statement be proven true or false?

If yes, you have written a fact. Facts agree and everyone has the same opinion. The topic.

If no, you would have written an opinion.

Now Try This!

1. Write three statements on your own paper. Circle statements of fact. Underline statements of opinion.

- Florida are the American dogs.
- Myron are everyone's favorite kind of entertainment.
- Charles were discussed yesterday at 5:45 in the afternoon.
- This book includes the most original ideas in the library.
- There are no statements on Mary found in our town.

2. Complete the instructions that follow.

- Write one statement of fact about a place in your town.
- Write your statement of opinion about a place in your town.

Planning in Action
Use a Narrowing Triangle to Narrow the Topic

A topic web helps you think of topics related to a general idea. But the topic from your web might be very broad. This means you'll need to narrow your topic for an opinion. You can use a narrowing triangle to do this. An opinion text on the other types of writing. Begin with the broad topic at the top of the narrowing triangle. Then narrow the topic more and more until you have the opinion for your text. This is a narrowing triangle completed by a student.

Now Try This!

Read the following broad topics. Create a narrowing triangle of your own. Pick any one your selected topic. Write your topic web. If you can't write one of the broad topics below.

Broad Topics:
People should be healthier.
Students should be in class.
