Against the Flow Study Guide John C. Lennox, Joseph McRae Mellichamp, 2024-09-19 Then King Darius sent this message to the people of every race and nation and language throughout the world I decree that everyone throughout my kingdom should tremble with fear before the God of Daniel For he is the living God and he will endure forever Daniel 6 25 6 The book of Daniel tells the story of four teenage friends born in the tiny state of Judah about twenty six centuries ago who were captured by Nebuchadnezzar emperor of Babylon Although forced to live in exile Daniel and his friends remained faithful to the one true God But they did not simply treat their devotion to God as a private matter they maintained a high profile witness in a pluralistic society that was highly antagonistic to their faith That is why their story has such a powerful message for us What was it that gave that ancient foursome Daniel and his three friends the strength and conviction to be prepared often at great risk to swim against the flow This study guide to Against the Flow is packed with thought provoking suggestions for private reflection or group discussion drawing out the many ways in which the story of Daniel can teach us how to live faithfully in a world of religious doubt and scepticism today
