Chapter 2: Dust to Dust

Now that you've unlocked the main Foundry Challenge, the walkthrough continues. The walkthrough continues to the Foundry, where you'll find a new challenge. It's not clear why you're here, but you'll find out soon.

The main gate is under guard, so proceed with caution. Bring to the station, and the patrolling watchmen will notice you.

Begin by grabbing the nearby rope and descending. When you reach the rope's end, drop to the wooden ledge below. Beware: one of the guards is the nearby bridge—though he won't see you, he won't get you to the station.

Drop from the wooden ledge to reach the lower trench. Collect a star from here.

Thieving Challenge: "Lift all lost items" (250G)

If you have the strength and skill to reach the wooden ledge, you'll find a star. That requires the strength to reach the star and the skill to reach the star.

Collect a key from the lower guard, and follow along until you reach another wall. Climb this wall to reach the station to the west guard's end, where you find a keyring.

Thieving Challenge: "Lift all lost items" (250G)

If you see, you can backtrack, with a little aid of the crowd. Remember the main gate? Well, you'll find out as you go. The crowd will be a good distraction. If you see the guard, if you're in a hurry, take the shortcut. If you're after every last bit of loot, backtrack through the main gate and drop down into the trench below the bridge.

From the trench's northwest end, reach a point that leads up to the outfall.
