

Think Central Go Math Addition Lesson Plan

Think Central Grade 2 Lesson 3.2 (45 Minutes Total)

Engage (10 min) On Poster

1. Review- Before we practiced addition using doubles to help solve other problems. Like for $3+4$ we could do $3+3+1$ which is the same as $6+1=7$ so $3+4=7$ (Lesson 3.1)
2. Objective Today we will Recall sums or basic math facts or remember facts to add. Why? We will use two new ways to make it easier to add.
3. Show [Interactive student addition video online](#) set up computer. Think Central or video on addition facts.
4. Number Story [join poster](#)
Lisa has 2 sleeping bags for her camping trip. She got 2 more from her aunt. How many sleeping bags does she have in all? [use the cubes to solve](#)
Think pair share: What operation can you use to solve addition or subtraction, and why did you choose this operation?

Explore (1 min) Document Camera, needed

5. Listen and Draw [join to page 123](#)
[Read out loud](#)- On Monday, Tony saw 2 dogs and 6 cats. How many animals did he see?
Children draw pictures to show the problems. [calculate the room](#)
Math Talk: In both problems what do we notice that is the same? And: The same numbers being added or the addends are the same. So the answer should still be the same no matter the order.
6. Model and Draw Box [join page 126](#) 3 min
Strategy 1- $6+1=7$ $6+2=8$ $6+3=9$
Strategy 1- notice how the 2nd addend is increasing by 1. So the answer is increasing by 1. What would be the answer to the next fact $6+4$? [join equity sticks or clips to choose a child at random](#)
Strategy 2- $6+2=8$ which is the same as $6+1$ it is in a fact family. Let's practice this strategy and get up and do a quick quiz, quiz trade. I will give you a card. You study it to become an expert then you will find a partner to quiz each other. Then trade cards and find a new partner to quiz. [join target](#) Use any basic addition flashcards.

Explain (back at desk) 10 min

7. Share and Show or Guided Practice Section
Q1- $4+6=$ $4+5=$ notice there is a double then the 2nd addend for number is increasing by one in the next factor from 4 to 5.
Q2- what is $5+0$ (get volunteer) notice for adding zero to a number the sum is that number $5+0=5$ and $2+0=2$
Q3- $3+8$ is counting on 3 more and you get 11. If I switch the addends around the answer is still 11. I am counting 3 more not.
Try numbers 4-9. Let me know if you are done. I will walk around to check your answers and give you help. [calculate see if they are ready to move on to on your own](#)

Elaborate/Extend

- You will demonstrate that you can solve addition problems using the 3 strategies we learned today.
- 1) count on by adding by 1
 - 2) switching the order for fact families will give the same sum and 3) adding any number by 0 will be that number.
8. Work on problems 10-21. On the independent practice section. 10 min
 9. If I finish complete alligator math page from the side table
 10. Math on the spot video when all are done. if time. 3 min
 11. I will stamp if you are done. 2 min.

Think Central Answer Key 9 Th Grade

David Baud

Think Central Answer Key 9 Th Grade:

Adopting the Song of Appearance: An Emotional Symphony within **Think Central Answer Key 9 Th Grade**

In a global consumed by displays and the ceaseless chatter of quick conversation, the melodic elegance and psychological symphony created by the written word usually disappear into the back ground, eclipsed by the relentless noise and disruptions that permeate our lives. But, set within the pages of **Think Central Answer Key 9 Th Grade** a charming literary value filled with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that fascinating masterpiece conducts viewers on a mental trip, well unraveling the concealed songs and profound affect resonating within each carefully constructed phrase. Within the depths of this emotional assessment, we shall investigate the book is key harmonies, analyze their enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
