FCAT 2.0 Reading

Sample Questions

Student Name _____

The intent of these sample test materials is to orient teachers and students to the types of questions on FCAT 2.0 tests. By using these materials, students will become familiar with the types of items and response formats they will see on the actual test. The sample questions and answers are not intended to demonstrate the length of the actual test, nor should student responses be used as an indicator of student performance on the actual test. Additional information about test items can be found in the *FCAT 2.0 Test Item Specifications* at <http://fcit.fldoe.org/fcat2/itemspecs.asp>.

The FCAT 2.0 Reading tests and sample questions and answers are based on the 2007 Next Generation Sunshine State Standards.

The sample questions for students and the sample answers for teachers will only be available online, at <http://fcit.fldoe.org/fcat2/fcatitem.asp>.

Directions for Answering the Reading Sample Questions

The questions in this booklet are called multiple-choice questions. A multiple-choice question is followed by several answer choices. Read all the answer choices under each question and decide which answer is correct. You will fill in the bubble next to the answer choice you think is correct for each multiple-choice question. You will mark your answers in this book. If you don't understand a question, ask your teacher to explain it to you. Your teacher has the answers to the sample questions.

describes a new kind of accountability plan for public education one that relies on higher quality testing focuses on professional evaluation and builds on capacities we already possess This important resource Describes the design of an alternative accountability system that would not corrupt education as does NCLB and its state testing systems Explains the original design of NAEP in the 1960s and shows why it should be revived Defines the broad goals of education beyond math and reading test scores and reports on surveys to confirm public and governmental support for such goals Relates these broad goals of education to the desire for accountability in education *Academic Assessment and Intervention* Steven Little, Angeleque Akin-Little, 2014-01-21 Serving students with academic deficiencies necessitates communication and collaboration among professionals from several disciplines Academic Assessment and Intervention brings together divergent approaches in order to demonstrate that scientific evidence rather than biases or previous practice must determine assessment practices that are selected and used for particular purposes Similar to a handbook in its comprehensive topical coverage this edited collection provides a contextual foundation for academic assessment and intervention describes both norm referenced and curriculum based assessment measurement in detail considers the implications of both of these assessments on ethnically diverse populations provides a clear link between assessment evidence based interventions and the RTI model and considers other important topics related to this area such as teacher behavior Intended primarily for graduate level courses in education school psychology or child clinical psychology it will also be of interest to practicing professionals in these fields **Structuring Learning Environments in Teacher Education to Elicit Dispositions as Habits of Mind** Erskine S. Dottin, Lynne D. Miller, George E. O'Brien, 2013-02-14 This book focuses on faculty members in a learning community in the College of Education at Florida International University It discusses their pedagogical efforts to structure learning environments consistent with the philosophical orientation in the college's conceptual framework to call forth dispositions or key habits of mind that are consistent with reflective intelligence **The Test** Anya Kamenetz, 2015-01-06 The anti testing movement now has a guidebook Kamenetz shows how fundamentally American it would be to move toward a more holistic system New York Times Book Review The Test is an essential and critically acclaimed book for any parent confounded by our national obsession with standardized testing It recounts the shocking history and tempestuous politics of testing and borrows strategies from fields as diverse as games neuroscience and ancient philosophy to help children cope It presents the stories of families teachers and schools maneuvering within and beyond the existing educational system playing and winning the testing game And it points the way toward a hopeful future of better tests and happier kids *Preparing for FCAT Reading* Duncan Searl, 1999 **The Dark Side of Teaching** Tonya Harris-Weaver, 2010-11 This book is about my life as a teacher and the unethical procedure followed by the Polk County School Board to try to end my teaching career The Educational Code of Ethics was not used as a guide line regarding my termination I was fired twice without warning or notice I e mailed the governor the first time for reinstatement After being

reinstated I was fired again When I asked why was I fired The principal looked at me with a smile and said Reflect back Well what was there to reflect back on when mostly all of my children scored high on their state and national reading test This book deals with the emotional stress of teachers and what they encounter on a daily basis in the school system Why is it that not all of our teachers voice are being heard Some parts of the book talks about mission and vision the little Principals How to avoid pitfalls of teaching How to become an effective teacher and steps you can take if you are terminated The emotional stress of the student with without disabilities in learning Why are our children failing state and national test but making A B honor roll on class room test Emotional stress of parents and why is there a break down in the educational system How to determine if your child has an effective or ineffective teacher Statistical reports from other states regarding education This book uncovers t he Dark Side Of Teaching When you have finished reading this book you will have the knowledge and tools needed to become an effective teacher as well as knowing your rights according to the code of ethics Research Supporting Middle Grades Practice David L. Hough,2010-08-01 Exemplary Middle Grades Research Evidence Based Studies Linking Theory to Practice features research published throughout 2009 in MGRJ that has been identified by our review board as the most useful in terms of assisting educators with making practical applications from evidence based studies to classroom and school settings The editorial team is pleased to present these studies under one cover trusting each will contribute to the existing body of knowledge on middle grades education in ways that will enable readers to develop theories more fully and apply findings and implications to a variety of settings Studies are presented in chronological order as they appeared in each of the four issues published during the fourth volume year 2009 Our first three issues 4 1 4 2 and 4 3 were special themes wherein guest editors provided the oversight for selection and substantive editorial revisions Any guest editors introductory comments regarding previously published manuscripts appear in italics followed by the editor in chief s comments *Policy and Practice* Thomas E. Scruggs,Margo A.
