Soul Guide Following Jesus As Spiritual Director:

Soul Guide Bruce A. Demarest, 2003 Spiritual and professional mentor Demarest provides biblically based practical information on life and soul guidance using the example of Christ as our Spiritual Director This book is ideal for evangelical and mainstream readers who want spiritual emphasis versus psychological emphasis in the area of soul guidance Henri Nouwen and Soul Care Wil Hernandez, 2008 A synthesis of Henri Nouwen's integrated approach to spiritual formation which is both driven and tempered by his integral relationship with psychology ministry and theology *Spiritual Formation as if the Church Mattered* James C. Wilhoit, 2022-03-29 Most books on spiritual formation focus on the individual But spiritual formation is at the heart of the church's whole purpose for existence It must be a central task for the church to carry out Christ's mission in the world This book offers an introduction to spiritual formation set squarely in the local church The first edition has been well received and widely used as a textbook The second edition has been updated throughout incorporates findings from positive psychology and reflects an Augustinian formation perspective Foreword by Dallas Willard How Then Shall We Guide? Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition's distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis *The Popular Encyclopedia of Christian Counseling* Tim Clinton, Ron Hawkins, 2011-09-01 Seasoned counselors and professors Tim Clinton and Ron Hawkins provide a landmark reference that offers a capstone definition of the emerging profession and ministry of the Christian counselor Appropriate for professional counselors lay counselors pastors students and teachers it includes nearly 300 entries by nearly 100 top Christian counselors At approximately 500 pages this practical guide focuses on functional aspects of Christian counseling and explores such important topics as Christian counseling as a profession ministry and lay ministry Spiritual and theological roots Social emotional and relational issues Skills and essentials in Christian helping Ethical and legal considerations Intake assessment diagnosis and treatment planning Premarital counseling family therapy and substance abuse Counselors will also find up to date information on solution based brief therapy cognitive therapy and biblical truth and trauma and crisis intervention An essential resource for maintaining a broad and up to date perspective on helping others **Become What You Are** William W. Klein, 2006-10-02 New Testament scholar William W Klein presents the profound vision for spiritual formation that lies at the heart of the Sermon on the Mount **From Burned Out to Beloved** Bethany Dearborn Hiser, 2020-11-17 As a social

worker jail chaplain and justice advocate Bethany Dearborn Hiser pushed herself to the brink of burnout only to discover that she needed the very soul care she was providing to others Tackling the effects of secondary trauma and burnout this is a trauma informed soul care guide for Christians working in high stress helping professions **Light from the Dreaming Spires** Kenneth J. Barnes, 2017-09-19 Just as generals are always fighting the last war my experience as a chaplain at Oxford University has taught me that the church often speaks to the last generation The statistics provided by the Pew Research Center say it all The people of Generation Y are less likely to go to church believe in God or identify themselves as religious than any previous generation yet they still have a deep and abiding interest in spiritual things If the church is going to reach this group of seekers with the Gospel of Jesus Christ it will have to do it on their terms speak their language and understand their concerns If we try to fight the last war with Generation Y we will lose it Instead church leaders must seriously examine how we relate or not to Generation Y and change our tactics accordingly This book is a reflection on my personal experience of ministry to Generation Y combining pastoral care mentoring and postmodern apologetics in ways that are equally applicable to parochial academic and or secular settings Spirituality in Mission John Amalraj, Geoffrey W.

Hahn, 2018-01-03 Authors from eighteen countries give us their perspectives on biblical principles and cultural expressions of spirituality particularly as the church engages in God's mission The anthology of texts enriches our understanding of the depth and the meaning of being spiritual and the diversity of forms to live out the Christian faith The issue today is how spirituality should direct and guide a daily life as followers of Jesus in the engagement in the mission of God No doubt that it has to do with our inner life and our relationship to God but it is in showing our love and concern to others that we prove our love to God according to the Apostle John 1 John 4 Mission without spirituality will only be a human effort to convince people of religious theories Spirituality without a missionary involvement of the church will not express God's desire that the transforming gospel reaches every person This book will help you rethink your understanding of what is spiritual revisit your own spiritual journey and appreciate the different forms of spirituality as they are described and performed around the globe

Lamp Jr., 2021-07-27 Have you ever wondered Is this all there is to life and ministry with the Lord Why am I so tired all the time How can I grow in my intimacy

with God in practical ways Am I so busy doing that I have forgotten how to be with God As ministry workers we too often face these questions because we too often expect a thriving personal relationship with God to be an outcome of our ministry Journey With Me illustrates that ministry is the result of the overflow of our relationship with God rather than vice versa Exploring over fifteen ancient spiritual graces such as Lectio Divina rule of life silence and solitude and prayer of Examen Herbert F Lamp Jr invites us to prioritize soul care rather than treating ministry as a replacement for intimacy In the process of knowing and being known God fills us up with his love joy peace and wisdom Only then can we minister to others balancing a heart for God with hands for service After almost four decades of missionary service Lamp has experienced the joys and potential pitfalls of serving Christ cross culturally Sharing his experiences and offering practical time tested methods to grow spiritually Lamp invites you to journey with Our Father intimately as you cross your cultural linguistic ethnic and geographic borders serving him wholeheartedly and passionately oasiswithpurpose.org 10 YouTube ABC **Becoming a New Self** Moshe Sluhovsky,2017-10-12 In Becoming a New Self Moshe Sluhovsky examines the diffusion of spiritual practices among lay Catholics in early modern Europe By offering a close examination of early modern Catholic penitential and meditative techniques Sluhovsky makes the case that these practices promoted the idea of achieving a new self through the knowing of oneself Practices such as the examination of conscience general confession and spiritual exercises which until the 1400s had been restricted to monastic elites breached the walls of monasteries in the period that followed Thanks in large part to Franciscans and Jesuits lay urban elites both men and women gained access to spiritual practices whose goal was to enhance belief and create new selves Using Michel Foucault s writing on the hermeneutics of the self and the French philosopher s intuition that the early modern period was a moment of transition in the configurations of the self Sluhovsky offers a broad panorama of spiritual and devotional techniques of self formation and subjectivation *Experiencing Scripture as a Disciple of Jesus* Dave Ripper,2025-06-03 Discover new vibrant ways to experience God s presence through Bible study Experiencing Scripture as a Disciple of Jesus offers a unique pathway to deeper spiritual engagement using Dallas Willard s revolutionary approach to reading the Bible More than a study tool Experiencing Scripture as a Disciple of Jesus invites you to transform your encounters with Scripture from mere information gathering to profound spiritual experiences Using primary source material and insights from Willard Dave Ripper takes you on an immersive exploration of Scripture that mirrors the intellect of a philosopher and the heart of a mystic You ll find experiential exercises designed to prompt reflection and foster enriching group conversations helping you not just to read but to truly know the God of the Bible Perfect for pastors ministry leaders and spiritual seekers shaped by voices like Eugene Peterson and Richard Foster Experiencing Scripture as a Disciple of Jesus offers a call to experience God s presence in new and vibrant ways Experiencing Scripture as a Disciple of Jesus is a valuable resource for anyone seeking to deepen their understanding and connection with Scripture as a disciple of Jesus It offers practical tools insights and
