Africans in Britain David Killingray, 2012-12-06 This collection of essays looks at the history of African people in Britain mainly over the past 200 years

Translations on Sub-Saharan Africa United States. Joint Publications Research Service, 1977

Professional Journal of the United States Army, 1997

The Africans David Lamb, 2011-08-24 During the four years he spent in black Africa as the bureau chief for the Los Angeles Times David Lamb traveled through almost every country south of the Sahara logging more than 300 000 miles He talked to presidents and guerrilla leaders university professors and witch doctors He bounced from wars to coups oceans apart catching midnight flights to little known countries where supposedly decent people were doing unspeakable things to one another In the tradition of John Gunther's Inside Africa *The Africans* is an extraordinary combination of analysis and adventure Part travelogue part contemporary history it is a portrait of a continent that sometimes seems hell bent on destroying itself and of people who are as courageous as they are long suffering

World Terrorism: An Encyclopedia of Political Violence from Ancient Times to the Post-9/11 Era James Ciment, 2015-03-10 First Published in 2015 This collection holds three volumes Terrorism is a term that defies easy definition and its meaning has also changed over the course of history Because this encyclopedia aims at comprehensiveness across time geography and the conceptual landscape it applies the broadest definition of terrorism the use of violence or the threat of violence to effect political change through fear in which the victims of the violence The encyclopedia is divided into six parts

Military Review, 1997

On the Subject of Citizenship Suren Pillay, 2023-01-26 This volume brings together reflections on citizenship political violence race ethnicity and gender by some of the most critical voices of our times Detailed and wide ranging individual reflections take the writings of prominent Ugandan political theorist Mahmood Mamdani as a touchstone for thinking about the world from Africa Contributors apply this theory to argue that we cannot make sense of the political contentions of difference identity and citizenship today without understanding the legacies of colonial rule on our world Chapters examine the persistence of the past and how we must reckon with its tragedies its injustices and its utopias in order to chart a new politics the politics of possible futures that are more inclusive and more egalitarian and that can think of difference in more equitable ways In a time when the call to decolonize knowledge and politics rings loud and clear this is both a timely and a crucial intervention

Readings in the International Relations of Africa Tom Young, 2016-01-11 These readings in international relations in Africa grapple with the continent's changing place in the world The essays confront issues such as the increasing tempo of armed conflict the tendency of Western states and agencies to intervene in African settings the presence of China and the health of African states and their ability to participate in the global economy Questions regarding sovereignty leading regional actors conflict and resolution and the neoliberal African renaissance add to the broad thematic coverage presented in this timely volume

'To Serve and Protect': The Inkathagate Scandal Laurence Piper, 2024-12-02 This book provides a detailed account of the history consequences and events leading up to the

Inkathagate Scandal which changed the course of South African history It states that Inkathagate was the work of one man Brian Morrow who outraged by the racism corruption and torture rife in the Security Branch of the South African Police in Durban where he worked resolved to do something to expose the reality of apartheid hidden from white South Africa and the world It also discusses the Inkatha files which Morrow had covertly copied and handed to the media in 1991 and also analyses Morrow s purpose ambitions and what followed after Print editions not for sale in Sub Saharan Africa This book is part of Routledge s co published series 30 Years of Democracy in South Africa in collaboration with UNISA Press which reflects on the past years of a democratic South Africa and assesses the future opportunities and challenges **AF Press**

Clips United States Department of State. Bureau of African Affairs,1981 **South Africa's Post-Apartheid Military** Lindy Heineken,2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country s new security political and social environment since 1994 In South Africa s changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world *AF Press Clips* ,1988-07 **Nuclear France** Benoît Pelopidas,2023-12-13 This book offers the first non official history of French nuclear policies which goes beyond the divide between nuclear weapons and nuclear energy policies It addresses the sizing of France s nuclear forces technological assistance to countries with nuclear weapons programs uranium prospection nuclear testing its health effects and protests against it as well as plans to prevent and manage accidents in nuclear power plants It is based on new questions and new sources from France and abroad The chapters in this volume show how independent and interdisciplinary scholarship free from conflicts of interests can uniquely advance our understanding of nuclear history and politics This is the case because it does not treat the categories and judgments of official discourse as neutral starting points of the analysis This volume is based on untapped primary sources from France the UK the US India South Africa and Iran on a new assessment of the health consequences of French nuclear testing in Polynesia thanks to a modern atmospheric particle transport code coupled with historical weather data open source information about radioactive debris mushroom clouds as well as data on the

composition and particle sizes of the fallout and on new survey data about French knowledge of and attitudes towards nuclear weapons and nuclear energy They show notably that the first generation of French nuclear forces lacked technical credibility despite reliance on outside help Several French officials knew this as did France's allies and adversaries Moreover French strategic collaborations associated to nuclear programs extended to India and South Africa nuclear safety regulations changed fundamentally after the Cold War and approximately 110 000 people i e 90% of the French Polynesian population in the 1970s could have received doses that would qualify them for compensation according to French law The volume will be of interest to scholars and students of history politics international relations military history war studies conflict and global governance Most of the chapters in this book were originally published as a special issue in Cold War History A few chapters were first published in the Nonproliferation Review Diplomacy Statecraft and Science Global Security
