history is the bloodiest story ever written. They were born and bred in the
of constant war. When they were defending their home system Nebel
a great number of hostile species, the Ord transformed themselves into a
class and bloodthirsty civilization whose only reality was one colored in war
time, they didn't have any other command so they were acting on their
instincts. Somehow, during the 4th generation, a warlord, Darg, decided to
lead his people in order so that they could become a community and not like a frantic
period of reckless destruction. He decided to establish a military reign, a
rule of warlords in the entire system. He and them all ruled the bravest and the
most powerful. To get the hold of that power, he made his people go through a variety of trainings
and exercises. The Ord are a peaceful species whose individuals' goals
are mostly on winning the war. Nevertheless, the Dominion
