Fred the Firefly

Fred was a firefly that loved to fly far away. 10
 Every day, Fred would fly hours away from his 19
 home, but he always came back late at night. One 29
 day, when Fred was out on an adventure, he came 39
 across other fireflies. Fred said hello to these 47
 fireflies and they flew around together. He was 55
 making new friends and having so much fun. It 64
 started to turn into night and the sun was setting. 74
 Fred's light started glowing in the dark sky. His 83
 friend's light was not glowing. "Whoa!" said Fred, 91
 "Why isn't your light coming on?" Fred's friend told 100
 him his light had never worked and he did not know 111
 why. Fred felt sad for his friend, but he tried to 122
 make him feel better by telling 128
 him about how fast of a 134
 flyer he was. 137

Teaching Reading in Spanish Rocio del Castillo-Perez, Julia Stearns Cloat, 2022-11-09 Teaching Reading in Spanish A Linguistically Authentic Framework for Emerging Multilinguals is an essential teacher instructional guide to developmental biliteracy. It provides a comprehensive reading framework for teachers who teach students to read Spanish in K-12 dual language and bilingual programs. Anchored in asset-based pedagogy, this framework applies a systematic Spanish literacy approach to biliteracy by weaving together a tapestry of relevant instructional components including phonemic and phonological awareness, oracy, decoding, background knowledge, vocabulary, language structures, verbal reasoning, and literacy knowledge. What sets this Spanish developmental literacy framework apart is its approach to Spanish reading instruction that is based on linguistically authentic pedagogy, not on English language practices. Teaching Reading in Spanish includes the DCC Leveling Instrument, a standards-based practical instructional tool that guides teachers through the process of efficiently and accurately determining the reading levels of authentic Spanish text. DCC Lectura provides teachers with the tools that they need to guide their students to become skilled readers through appropriately challenging books that act as multicultural mirrors, windows, and sliding glass doors.
