author refers to this tradition as Jewish literary illumination and she deftly demonstrates how it illuminates the most salient message of Judaism that earthly existence and the body are also the site of the spiritual and the sacred

Postmodern Love in the Contemporary Jewish Imagination Efraim Sicher, 2022-03-17 Offering a radical critique of contemporary Israeli and diaspora fiction by major writers of the generation after Amos Oz and Philip Roth this book asks searching questions about identity formation in Jewish spaces in the twenty first century and posits global transnational identities instead of the bipolar Israel diaspora model The chapters put into conversation major authors such as Jonathan Safran Foer Nicole Krauss Michael Chabon and Nathan Englander with their Israeli counterparts Zeruya Shalev Eshkol Nevo and Etgar Keret and shows that they share common themes and concerns Read through a postmodern lens their preoccupation with failed marriage and failed ideals brings to the fore the crises of home nation historical destiny and collective memory in contemporary secular Jewish culture At times provocative at others iconoclastic this innovative study must be read by anyone concerned with Jewish culture and identity today whether scholars students or the general reader The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Borrowed Voices Jennifer Glaser, 2016-03-10 In the decades following World War II many American Jews sought to downplay their difference as a means of assimilating into Middle America Yet a significant minority including many prominent Jewish writers and intellectuals clung to their ethnic difference using it to register dissent with the status quo and act as spokespeople for non white America In this provocative book Jennifer Glaser examines how racial ventriloquism became a hallmark of Jewish American fiction as Jewish writers asserted that their own ethnicity enabled them to speak for other minorities Rather than simply condemning this racial ventriloquism as a form of cultural appropriation or commending it as an act of empathic imagination Borrowed Voices offers a nuanced analysis of the technique judiciously assessing both its limitations and its potential benefits Glaser considers how the practice of racial ventriloquism has changed over time examining the books of many well known writers including Bernard Malamud Cynthia Ozick Philip Roth Michael Chabon Saul Bellow and many others Bringing Jewish studies into conversation with critical race theory Glaser also opens up a dialogue between Jewish American literature and other forms of media including films magazines and graphic novels Moreover she demonstrates how Jewish American fiction can help us understand the larger anxieties about ethnic identity authenticity and authorial voice that emerged in the wake of the civil rights movement

Genre Bending Jeremy Rosen, 2025-12-09 Detective horror fantasy romance science fiction spy thrillers westerns zombie novels In recent decades acclaimed and ambitious writers of literary fiction have increasingly gravitated to popular fiction genres In this comprehensive account Jeremy Rosen describes literary fiction's embrace of genre fiction's conceits as genre bending and argues that while literary writers adopt genres for a wide variety of purposes what they share is a revitalized attitude toward genre a recognition that while genres can be used in formulaic ways they can also be adapted and

transformed endlessly Rosen reads across the outpouring of fiction of the last several decades by writers like Margaret Atwood Michael Chabon Jennifer Egan Louise Erdrich Kazuo Ishiguro Chang rae Lee David Mitchell Cormac McCarthy Ian McEwan Haruki Murakami and Colson Whitehead He finds that literary writers embrace of popular genres is the product of several seemingly contradictory forces including their attempt to extend a modernist inspired project of formal experiment to pursue high cultural prestige and to preserve the distinctiveness of the literary which they perceive to be under threat while also embracing the role of providing pleasure to readers Examining what today s most critically acclaimed and widely read literary writers have done with the genres of genre fiction Genre Bending reveals the values practices and forms as well as the tensions that constitute literary fiction today

in Jewish literature and popular media In *Members of the Tribe* Native America in the Jewish Imagination author Rachel Rubinstein examines interventions by Jewish writers into an ongoing American fascination with the imaginary Indian Rubinstein argues that Jewish writers represented and identified with the figure of the American Indian differently than their white counterparts as they found in this figure a mirror for their own anxieties about tribal and national belonging Through a series of literary readings Rubinstein traces a shifting and unstable dynamic of imagined Indian Jewish kinship that can easily give way to opposition and especially in the contemporary moment competition In the first chapter *Playing Indian* *Becoming American* Rubinstein explores the Jewish representations of Indians over the nineteenth century through narratives of encounter and acts of theatricalization In chapter 2 *Going Native* *Becoming Modern* she examines literary modernism s fascination with the Indian poet and a series of Yiddish translations of Indian chants that appeared in the modernist journal *Shriftn* in the 1920s In the third chapter *Red Jews* Rubinstein considers the work of Jewish writers from the left including Tillie Olsen Michael Gold Nathanael West John Sanford and Howard Fast and in chapter 4 *Henry Roth* *Native Son* Rubinstein focuses on Henry Roth s complicated appeals to Indianness The final chapter *First Nations* addresses contemporary contestations between Jews and Indians over cultural and territorial sovereignty in literary and political discourse as well as in museum spaces As Rubinstein considers how Jews used the figure of the Indian to feel at home in the United States she enriches ongoing discussions about the ways that Jews negotiated their identity in relation to other cultural groups Students of Jewish studies and literature will enjoy the unique insights in *Members of the Tribe* **(Re)Visions of History in**

Language and Fiction Dorota Gutfeld, Monika Linke, Agnieszka Sowińska, 2013-02-21 In imagining history one must inevitably rely on its textual representations whether fictitious or supposedly objective yet always subject to the constraints and conventions of textuality Still it is precisely by exploiting and consciously relying on the textual in the presentation of the past that contemporary authors including politicians and makers of history strive to provide it with current significance emotional impact and universal meaning The study of such attempts benefits from a variety of perspectives encompassing not only classical but also popular texts and media An interdisciplinary collection of papers devoted to the issues of retelling rewriting and representation of the past in fiction and various text types this volume juxtaposes modern and post modern understanding of collective versus personal history The contributors are scholars specializing in literary studies e g postcolonialism and popular fiction linguistics e g critical discourse analysis and cultural studies e g media studies bringing a wide spectrum of theoretical insights into the field The collection opens with papers on the general changes in viewing history that have occurred since the 19th century Further papers discuss postcolonial feminist and gender related perspectives on history reflected in postmodern fiction revealing the power struggle around the depiction of the past The next part of the volume is devoted to the presentation of historical breakthroughs in political and media discourse Finally the collection draws attention to some unorthodox visions of history involving alternative worlds and fantastic elements
