postmodernism and remediation **Theorizing Adaptation** Kamilla Elliott, 2020 From film and television theory to intertextuality poststructuralism to queer theory postcolonialism to meme theory a host of contemporary theories in the humanities have engaged with adaptation studies Yet theorizing adaptation has been deemed problematic in the humanities theoretical and disciplinary wars have been charged with political incorrectness by both conservative and radical scholars and declared outdated and painfully behind the times compared to other disciplines And even separate from these problems of theorization is adaptation's subject matter with many film adaptations of literature widely and simply declared bad In this thorough and groundbreaking study author Kamilla Elliott works to detail and redress the problem of theorizing adaptation She offers the first cross disciplinary history of theorizing adaptation in the humanities extending back in time to the sixteenth century revealing that before the late eighteenth century adaptation was valued and even celebrated for its contributions to cultural progress before its eventual and ongoing marginalization Elliott also presents a discussion of humanities theorization as a process arguing the need to rethink how theorization functions within humanities disciplines and configure a new relationship between theorization and adaptation and then examines how rhetoric may work to repair this difficult relationship Ultimately Theorizing Adaptation seeks to find shared ground upon which adaptation scholars can dialogue and debate productively across disciplinary cultural and theoretical borders without requiring theoretical assent or uniformity [Routledge Encyclopedia of Translation Studies](#) Mona Baker, Gabriela Saldanha, 2019-09-20 The Routledge Encyclopedia of Translation Studies remains the most authoritative reference work for students and scholars interested in engaging with the phenomenon of translation in all its modes and in relation to a wide range of theoretical and methodological traditions This new edition provides a considerably expanded and updated revision of what appeared as Part I in the first and second editions Featuring 132 as opposed to the 75 entries in Part I of the second edition it offers authoritative critical overviews of additional topics such as authorship canonization conquest cosmopolitanism crowdsourced translation dubbing fan audiovisual translation genetic criticism healthcare interpreting hybridity intersectionality legal interpreting media interpreting memory multimodality nonprofessional interpreting note taking orientalism paratexts thick translation war and world literature Each entry ends with a set of annotated references for further reading Entries no longer appearing in this edition including historical overviews that previously appeared as Part II are now available online via the Routledge Translation Studies Portal Designed to support critical reflection teaching and research within as well as beyond the field of translation studies this is an invaluable resource for students and scholars of translation interpreting literary theory and social theory among other disciplines **Contemporary European Theatre Directors** Maria M. Delgado, Dan Rebellato, 2020-06-29 This expanded second edition of Contemporary European Theatre Directors is an ambitious and unprecedented overview of many of the key directors working in European theatre over the past 30 years This book is a vivid account of the vast range of work undertaken in European theatre during the last three decades situated lucidly in its artistic

cultural and political context Each chapter discusses a particular director showing the influences on their work how it has developed over time its reception and the complex relation it has with its social and cultural context The volume includes directors living and working in Italy Germany France Spain Poland Russia Romania the UK Belgium Switzerland and the Netherlands offering a broad and international picture of the directing landscape Now revised and updated Contemporary European Theatre Directors is an ideal text for both undergraduate and postgraduate directing students as well as those researching contemporary theatre practices providing a detailed guide to the generation of directors whose careers were forged and tempered in the changing Europe following the end of the Cold War *Theatre and Dramaturgy* Zoe

Svendsen, 2023-09-21 What is a dramaturg What is dramaturgy What are the political implications for the way that plays produce meaning in performance Over the last decade the role of the dramaturg has become more common in the theatrical process but it is still a new term for many theatre goers Theatre Dramaturgy offers a working definition of what dramaturgy means and asks how understanding theatre from the perspective of dramaturgy can help us understand the world around us This concise study examines how western histories and practices of theatre have functioned to achieve their effects through understanding dramaturgy as the arrangement or structure of the work in time and space both at the fictional level and in relation to performance Exploring the relationship between plays and their meaning in production this guide focuses on how understanding dramaturgy is critical to understanding how plays achieve their effects The Theatre of Simon Stephens

Jacqueline Bolton, 2021-06-17 Simon Stephens is one of Europe's pre-eminent living playwrights Since the beginning of his career in 1998 Stephens's award-winning plays have been translated into over twenty languages been produced on four continents and continue to feature prominently in the repertoires of European theatre His original works have garnered numerous awards with his stage adaptation of Mark Haddon's novel *The Curious Incident of the Dog in the Night Time* winning seven Olivier Awards and enjoying acclaim on Broadway In the first book to provide a critical account of Stephens's work Jacqueline Bolton draws upon the playwright's unpublished personal archives as well as original interviews with directors and actors to advance detailed analyses of his original plays and their productions examine contemporary approaches to playwriting and deliver insights into broader debates regarding text performance and authorship Caridad Svich addresses Stephens's theatrical output between 2014 and 2019 and essays from Mireia Aragay and James Hudson provide additional perspectives on international productions and the playwright's adaptive practices Andrew Haydon's edited interviews with six of Stephens's key collaborators Marianne Elliott Sarah Frankcom Sean Holmes Ramin Gray Katie Mitchell and Carrie Cracknell further illuminate the work from a director's viewpoint *The Theatre of Simon Stephens* situates the playwright's oeuvre within his embrace of aesthetics and working relations encountered in European theatre cultures focusing in particular upon shifting attitudes towards the function of the playwright the relationship between playwrights and directors and the role of the audience in live performance The Companion serves as a lively and engaging study of one of the

most restlessly creative and important dramatists of our generation

Re-imagining Shakespeare in Contemporary Japan Tetsuhito Motoyama, Rosalind Fielding, Fumiaki Konno, 2021-01-28 An anthology of three exciting Japanese adaptations of Shakespeare that engage with issues such as changing family values racial diversity the 2011 Great East Japan Earthquake and terrorism together with a contextualizing introduction The anthology makes contemporary Japanese adaptations of Shakespeare by three independent theatre companies available to a wider English language audience The three texts are concerned with the social issues Japan faces today and Japan's perception of its cultural history This unique collection is thus both a valuable resource for the fields of Shakespeare and adaptation studies as well as for a better understanding of contemporary Japanese theatre

Bertolt Brecht's Adaptations and Anti-capitalist Aesthetics Today Anthony Squires, 2025-02-13 This book examines Brecht's theory and method of adaptation It first reconstructs it into a single framework using four key Brechtian concepts Fabel gestus estrangement effects and historicizing It then uses that framework to analyse four Brechtian adaptations The Tutor Don Juan Socrates Wounded and Kriegsfibel It argues that adaptation occupies a previously unrealised central place in Brecht's thought demonstrating that he provides us with a unique way to think about adaptation as material transformation It concludes by describing how Brecht is useful for anti-capitalist aesthetics today because through him one can foster a new consciousness which enables better social conditions to be created This book is practical for both theatre practitioners and artists as well as theorists

Irish Transformations of Greek Tragedy Marit Meinhold, 2025-10-17 This study examines ten Irish versions of Greek tragedy that have been written and produced between 1988 and 2019 Its focus is on the transformations that different formal elements of the Greek plays undergo in conjunction with the foregrounding of specific thematic fields The study identifies a development over time regarding the topics that are foregrounded which can be conceptualized as a trajectory from the individual to the family and ultimately the surrounding community The case studies in the chapters consider tragic mother figures and the relevance of peripeteia in the tragic plot the tragic family of Antigone and Creon and the importance of dialogue in various types of renegotiations within the family and lastly transformations of the Greek chorus to achieve a re-examination of the relationship between community and individual The different chapters reveal different ways in which Greek tragedy has been creatively used to highlight existing tensions in Irish society seriously engage with the suffering of different groups in society and overall to react to and participate in processes of social and cultural change
