Becon, S.T.P ,1843 The Comparative 1st Century Aramaic Bible in Plain English (8th ed.) & King James Version New Testament with Psalms and Proverbs Rev. David Bauscher,2011-01-14 This is the 3rd comparative edition of the 8th edition translation of The Aramaic New Testament Aramaic was the language of Jesus and his countrymen of 1st century Israel in an English prose translation of The Peshitta New Testament displayed in two columns one has the King James Version on the left and the other has the translation of the Aramaic Peshitta on the right This translation is derived from the author s Aramaic English Interlinear New Testament Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua Jesus in ancient Aramaic as He originally spoke them in a literal and readable English rendering 659 pages in 6x9 paperback The parallel Psalms and Proverbs of both versions are included after the NT **The Phenomenology of Love and Reading** Cassandra Falke,2018-05-31 The current revival of interest in ethics in literary criticism coincides fortuitously with a revival of interest in love in philosophy The literary return to ethics also coincides with a spate of neuroscientific discoveries about cognition and emotion But without a philosophical grounding this new work cannot speak convincingly about literature s relationship to our ethical lives Jean Luc Marion s articulation of a phenomenology of love provides this philosophical grounding The Phenomenology of Love and Reading accepts Jean Luc Marion s argument that love matters for who we are more than anything more than cognition and more than being itself Cassandra Falke shows how reading can strengthen our capacity to love by giving us practice in love s habits attention empathy and a willingness to be overwhelmed Confounding our expectations literature equips us for the confounding events of love which Falke suggests are not rare and fleeting but rather constitute the most meaningful and durable part of our everyday life *The Saturday Review of Politics, Literature, Science and Art* ,1866 **The Parker Society for the Publication of the Works of the Fathers and Early Writers of the Reformed English Church.
