

SONG LYRICS TASK CARDS

FIGURATIVE LANGUAGE

1

"Fight Song" by Rachel Platten

Like a small boat
on the ocean,
Sending big waves
into motion

Like how a single word
can make a heart open
I might only have one
match
but I can make an
explosion

44

"Boom Clap" by Charli XCX

No silver or no gold
Could dress me up so good
You're the glitter in the darkness
of my world
Just tell me what to do
I'll fall right into you
Gong under cast a spell just say
the word
I feel your love

32

"Mean" by Taylor Swift

You with your words like knives
and swords and weapons that
you use against me
You have knocked me off my
feet again
Got me feeling like a nothing
You with your voice like nails on a
chalkboard calling me out when
I'm wounded
You picking on a weaker man

Poetry in the Digital Age Claudia Benthien, Vadim Keylin, Henrik Wehmeier, 2025-10-14 As a multifaceted and intermedial phenomenon poetry in the digital age not only demands a rethinking and expansion of the traditional paradigms of literary studies but also attracts increasing attention from other humanities This interdisciplinary handbook is thus addressed both to literary scholars and to the broadest academic audience interested in contemporary poetry research It offers 50 contributions by an international collective of authors that highlight the diversity of contemporary poetry examining it from a wide variety of complementing theoretical and methodological angles The handbook focuses on contemporary modes of poetry presentation that are often located beyond the book e g on stages in public spaces as multi as well as transmedia publications or on digital platforms Such intermedial poetic practices which may supplement poetic language with elements borrowed from music visual art cinema or theater and performance are transforming the forms and functions of poetry It four parts thus 1 adapt established concepts and parameters of poetry research to the digital age 2 explore established genres and emerging formats 3 introduce interdisciplinary perspectives and new research fields and 4 engage in current debates

Roman Jakobson Richard Bradford, 1994 In Roman Jakobson Richard Bradford reasserts the value of Jakobson s work arguing that he has a great deal to offer contemporary critical theory and providing a critical appraisal the sweep of Jakobson s career Bradford re establishes Jakobson s work as vital to our understanding of the relationship between language and poetry By exploring Jakobson s thesis that poetry is the primary object language Roman Jakobson *Life Language Art* offers a new reading of his work which includes the most radical elements of modernism This book will be invaluable to students of Jakobson and to anyone interested in the development of critical theory linguistics and stylistics

Toy Medium Daniel Tiffany, 2000-03-08 In this bold speculative and immensely learned study Tiffany s concept of lyric substance the sense of materiality supplied to us by poets like Wallace Stevens and Marianne Moore constitutes a world whose inaccessibility is legitimized by the principles of scientific materialism Thus lyric too long on the periphery of materialist discourse emerges as being squarely in its center Marjorie Perloff Stanford University author of *The Futurist Moment* and Wittgenstein s Ladder A lyrical inquiry into the circle of ideas materialism science poetics Winding through the whole is a fascinating exploration of toys children s toys physicists toy models philosophers robots nuclear weaponeers toy towns My hope is that this book will contribute to a growing interest not in cleaving science from the arts but rather in exploring poetically the language images and things that illuminate both Peter Galison Mallinckrodt Professor of the History of Science and Physics Harvard University A brilliant achievement synthesizing the history of science and poetics technology and the arts in an iconology of materialism All that is solid melts into air in this book but just as quickly the airy poems of our climate condense into material objective forms weird gadgets and objects of scientific research A wonderful feast of learning and wit W J T Mitchell University of Chicago author of *Picture Theory* and *Iconology* In clear eyed and gorgeous prose *Toy Medium* moves the question of Art s encounter with

Science to an utterly original point of conflagration where matter is mostly not matter Going to the bottom of the Imagination where it still truly involves images Tiffany explores how we have learned to see the inscrutable via our imagistic grasp of materiality This book is daring brilliant and deeply clever Jorie Graham Boylston Professor of English Harvard University author of *Materialism* and winner of the Pulitzer Prize Imaginative Teaching through Creative Writing Amy Ash, Michael Dean Clark, Chris Drew, 2021-03-25 Growing out of recent pedagogical developments in creative writing studies and perceived barriers to teaching the subject in secondary education schools this book creates conversations between secondary and post secondary teachers aimed at introducing and improving creative writing instruction in teaching curricula for young people Challenging assumptions and lore regarding the teaching of creative writing this book examines new and engaging techniques for infusing creative writing into all types of language arts instruction offering inclusive and pedagogically sound alternatives that consider the needs of a diverse range of students With careful attention given to creative writing within current standards based educational systems *Imaginative Teaching through Creative Writing* confronts and offers solutions to the perceived difficulty of teaching the subject in such environments Divided into two sections section one sees post secondary instructors address pedagogical techniques and concerns such as workshop revision and assessment before section two explores hands on activities and practical approaches to instruction Focusing on an invaluable and underrepresented area of creative writing studies this book begins a much needed conversation about the future of creative writing instruction at all levels and the benefits of collaboration across the secondary post secondary divide **Stylistics** Jane Lugea, Brian Walker, 2023-10-03 This textbook introduces the reader to contemporary approaches to language analysis such as cognitive stylistics and corpus stylistics reflecting recent shifts in research trends and offering students a practical way to access and understand these developments The authors lead readers through detailed explanations guided analyses examples of research and suggestions for further reading This textbook makes an ideal introduction to the field of stylistics for students who are new to the area but who have some background in basic language analysis It will be of use to students on courses in stylistics literary linguistics corpus methods cognitive linguistics and language and style **Connections** Tammy L. Boeck, Megan C. Rainey, 2000-07 The second in a now three book series *Connections* is a basic writing text geared to the paragraph to essay level The aim of *Connections* is to help students make the connection between reading writing and critical thinking all important skills for success in college Not a traditional workbook *Connections* take a top down approach to writing instruction The text moves beyond traditional sentence and paragraph exercises offering a wide variety of activities and opportunities for journaling supplemental readings quick reference guides and unique step by step writing assignments *Connections* guides developmental writers gently through every stage of the writing process Rac(e)ing to Class H. Richard Milner, 2015-04-01 In this incisive and practical book H Richard Milner IV provides educators with a crucial understanding of how to teach students of color who live in poverty Milner looks carefully at the circumstances of these

students lives and describes how those circumstances profoundly affect their experiences within schools and classrooms In a series of detailed chapters Milner proposes effective practices at district and school levels and in individual classrooms for school leaders and teachers who are committed to creating the best educational opportunities for these students Building on established literature new research and a number of revelatory case studies Milner casts essential light on the experiences of students and their families living in poverty while pointing to educational strategies that are shaped with these students unique circumstances in mind Milner s astute and nuanced account will fundamentally change how school leaders and teachers think about race and poverty and how they can best serve these students in their schools and classrooms

Internet Activities for Language Arts Mari Lu Robbins,1999 *Farewell to Shulamit* Carsten Wilke,2017-04-10 The Song of Songs a lyric cycle of love scenes without a narrative plot has often been considered as the Bible s most beautiful and enigmatic book The present study questions the still dominant exegetical convention that merges all of the Song s voices into the dialogue of a single couple its composite heroine Shulamit being a projection screen for norms of womanhood An alternative socio spatial reading starting with the Hebrew text s strophic patterns and its references to historical realia explores the poem s artful alternation between courtly urban rural and pastoral scenes with their distinct characters The literary construction of social difference juxtaposes class specific patterns of consumption mobility emotion power structures and gender relations This new image of the cycle as a detailed poetic frieze of ancient society eventually leads to a precise hypothesis concerning its literary and religious context in the Hellenistic age as well as its geographical origins in the multiethnic borderland east of the Jordan In a Jewish echo of anthropological skepticism the poem emphasizes the plurality and relativity of the human condition while praising the communicative powers of pleasure fantasy and multifarious Eros
